SENIORS

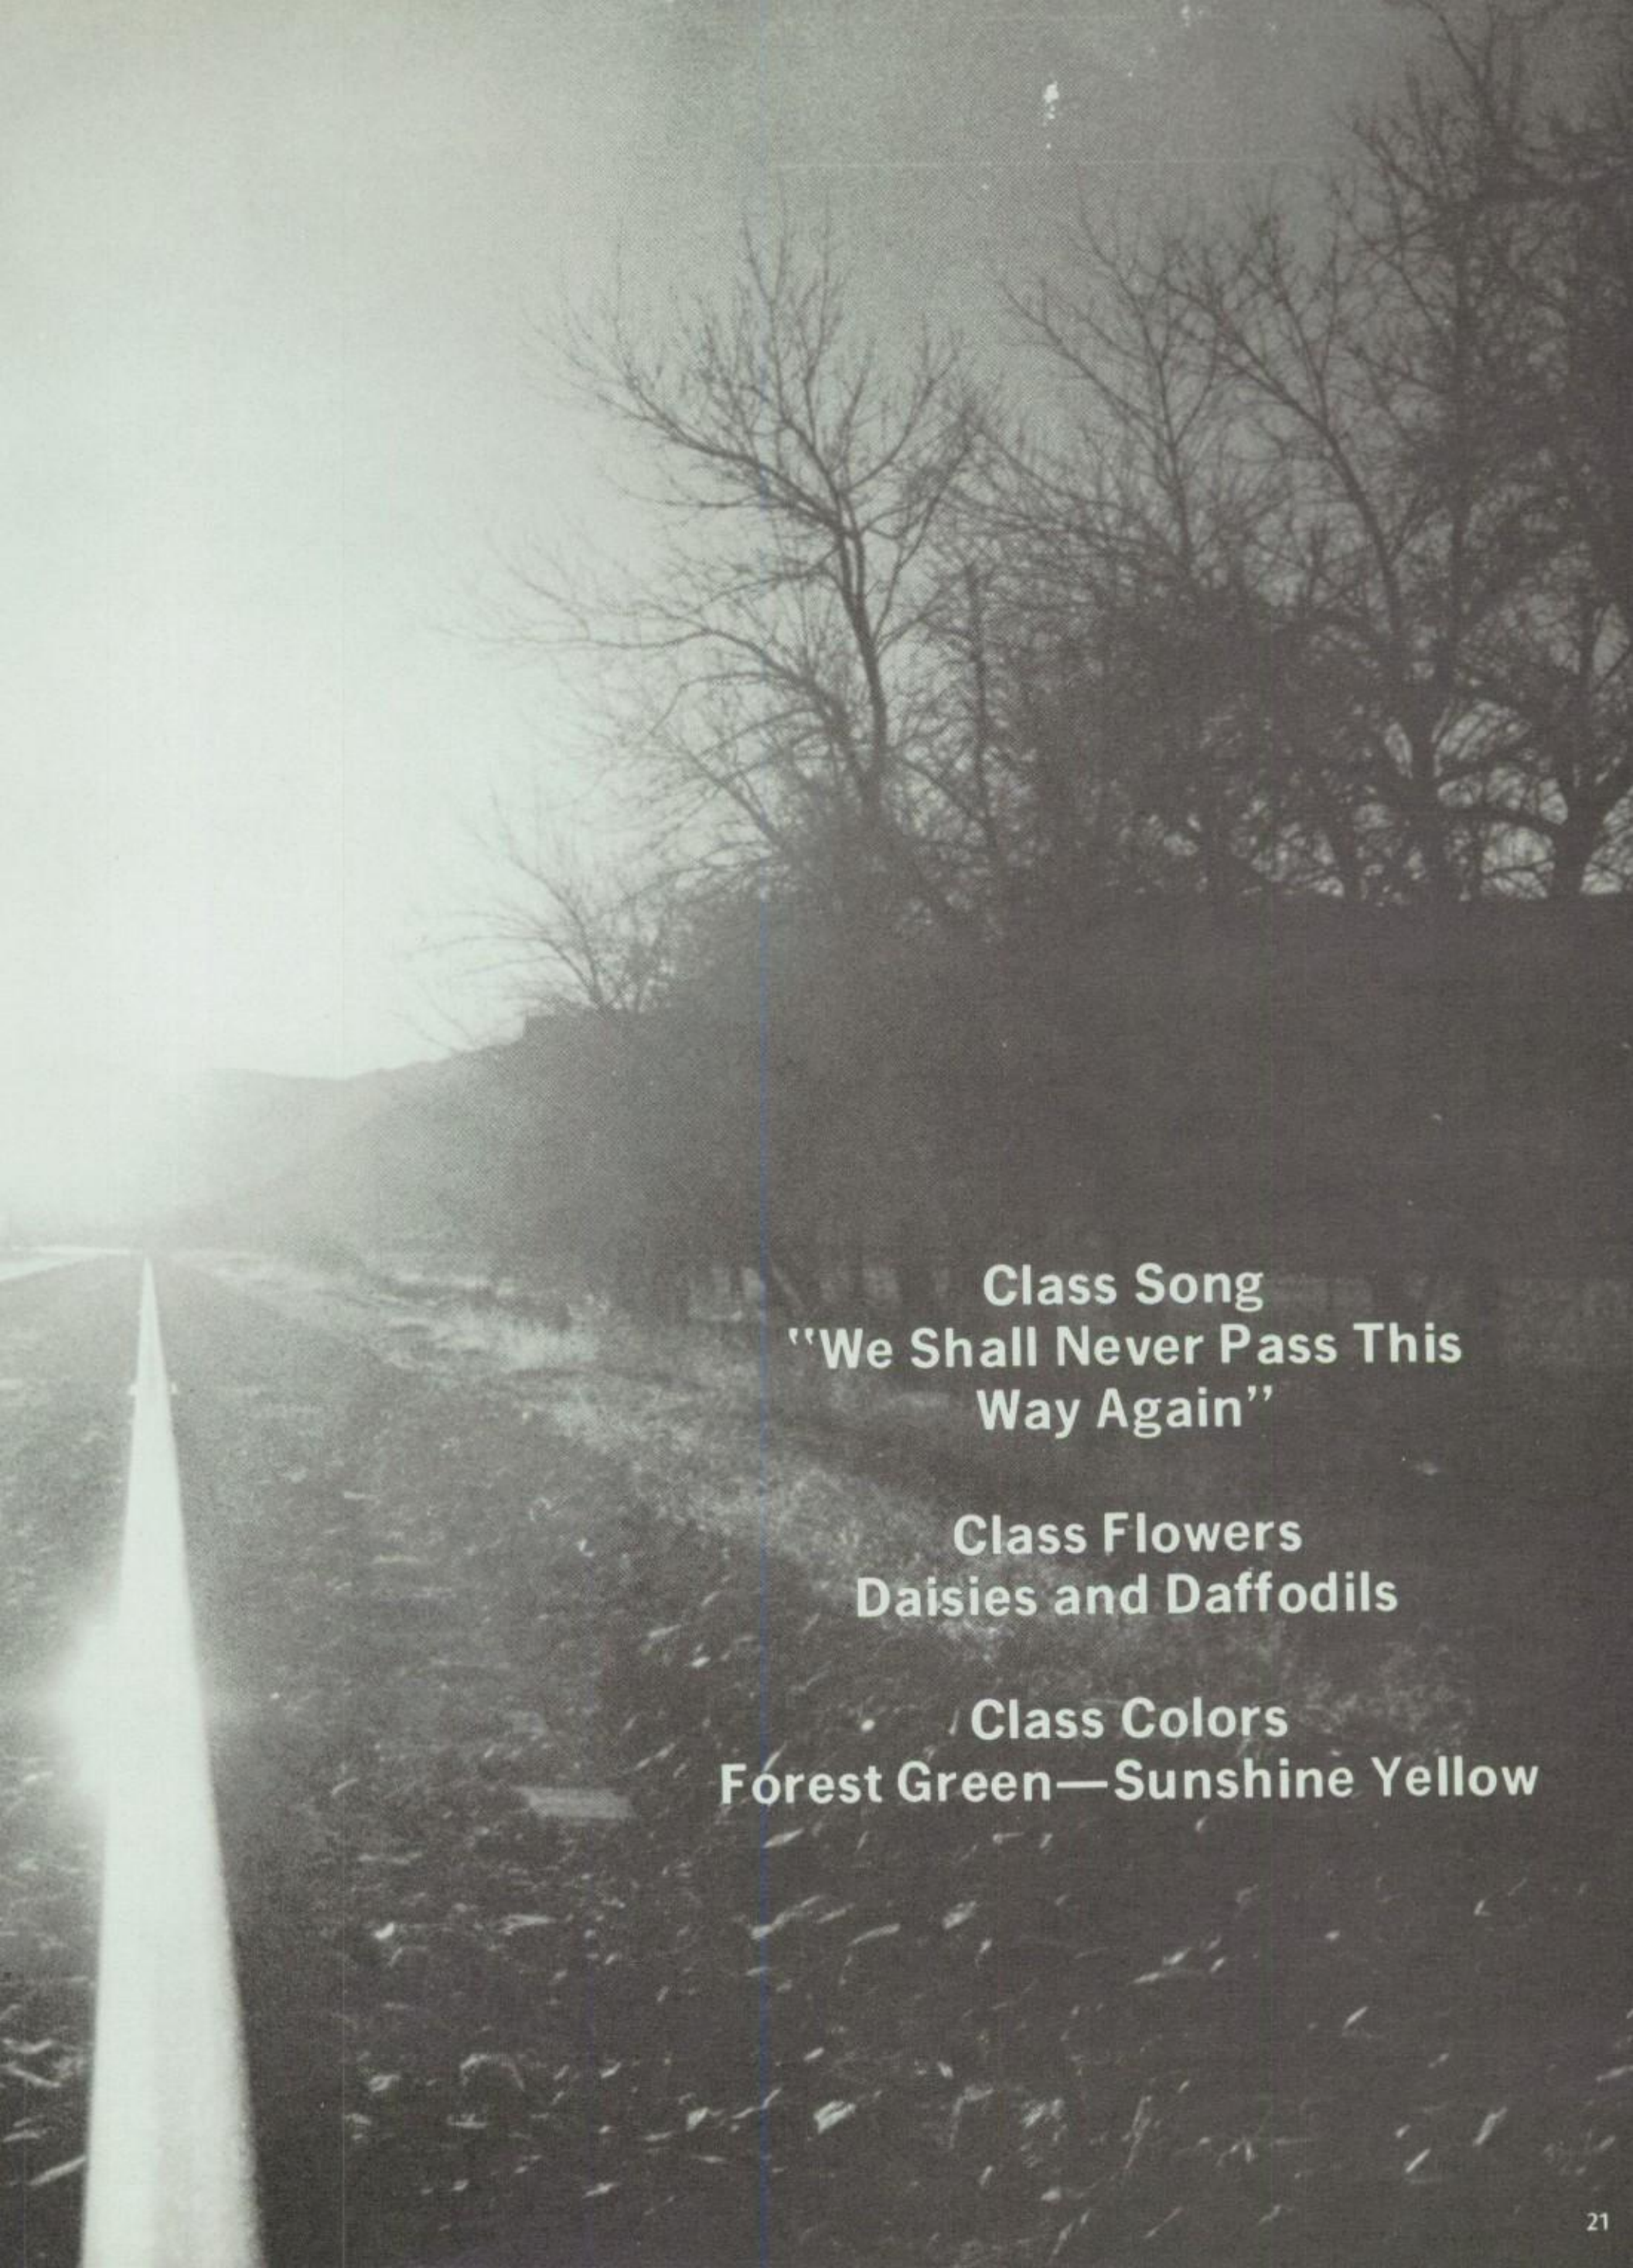

CLASS OF 1974

*As the days turn into weeks,
weeks into months
months into seasons,
and seasons into years
we each find ourselves changing.
Some only a little,
others radically.
And so a school changes,
each day something new appears
and something old vanishes
to be lost in history
and the minds of all.
So goes a school year
lost forever,
remaining only in students'
minds as they travel the
roads of life.
Let us not forget the past
the past can guide us
in the future.
Let us learn from the past,
Let us look back at the past and say,
"Those were the days."
These are the days,
These are your friends,
and this is you.
A year recorded,
a year of our lives
living on long after we
have gone from the place
we once called home.*

**Yesterday is but a memory,
tomorrow only a vision.
Today lived to the fullest,
makes yesterday a memory
of happiness and tomorrow
a vision of hope.**

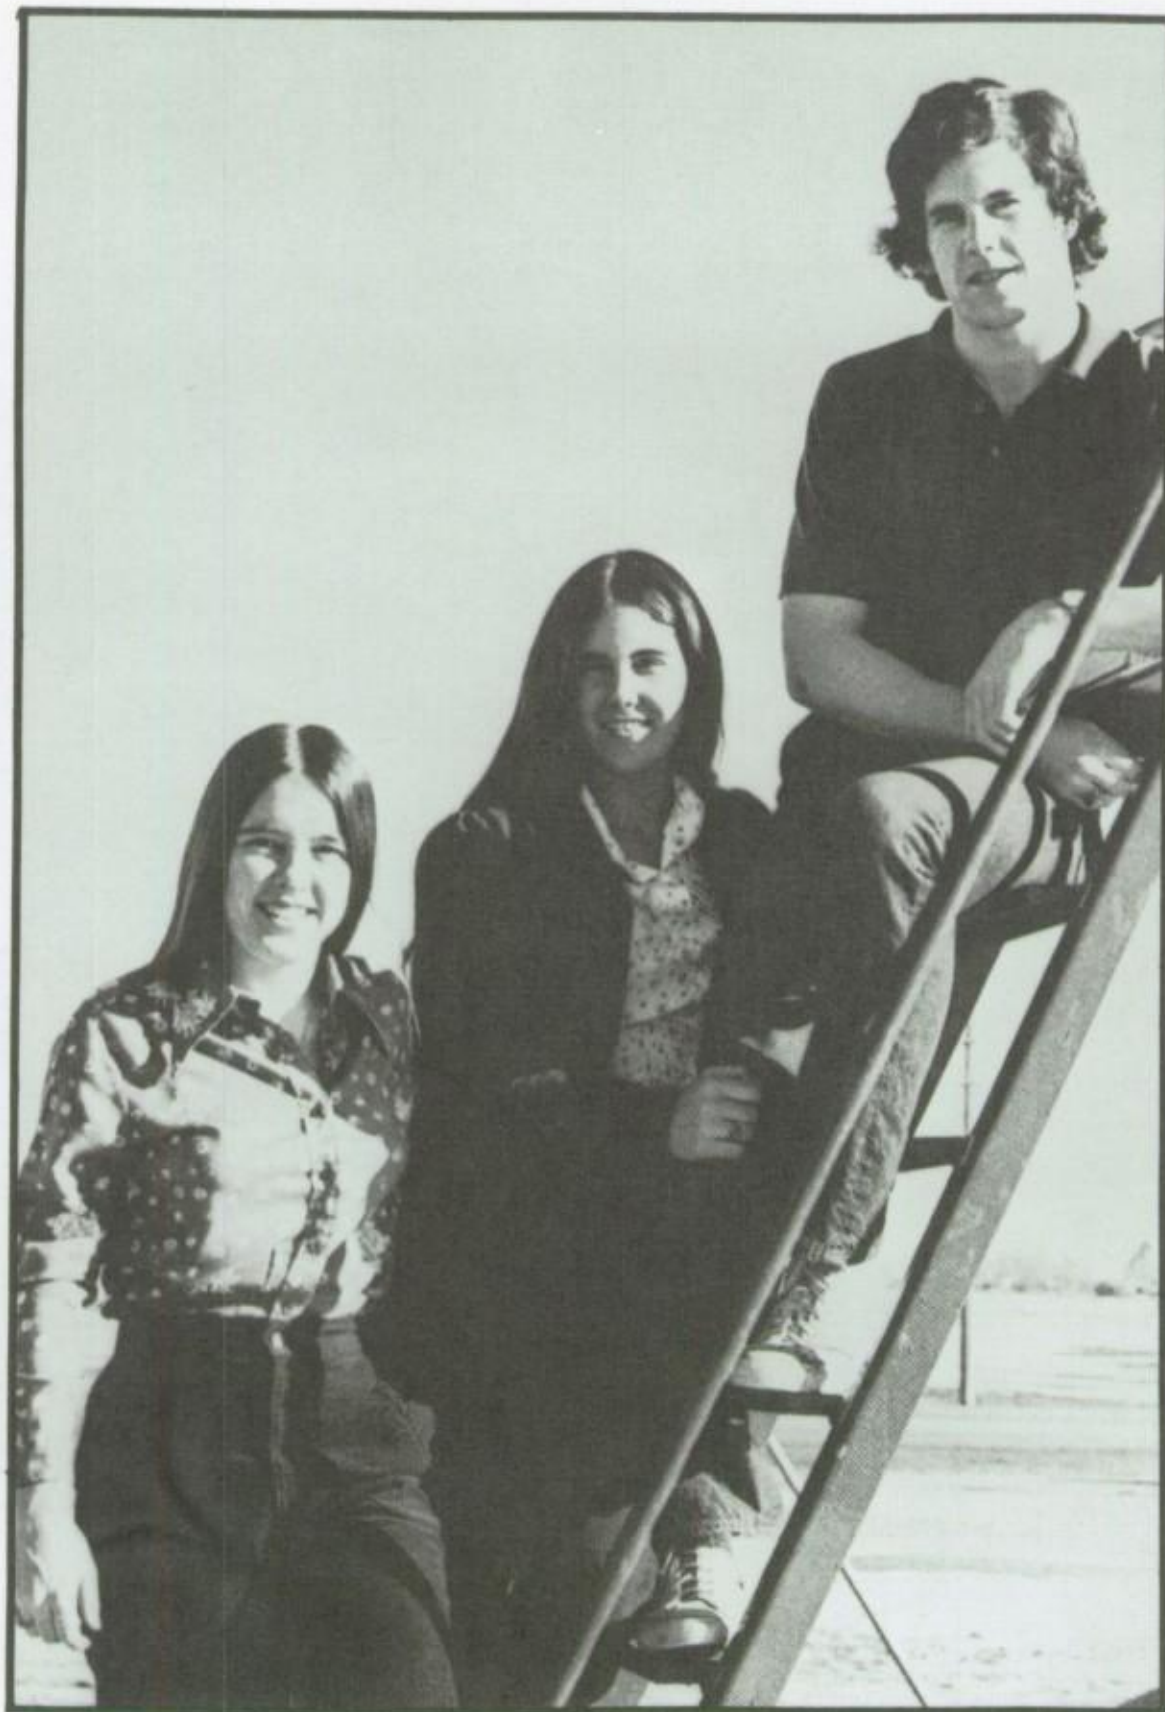

A black and white photograph of a landscape. A path or road leads from the bottom left towards a hill in the distance. The hill is covered in trees, many of which are bare, suggesting a late autumn or winter setting. The sky is bright and hazy. The overall mood is quiet and contemplative.

Class Song
"We Shall Never Pass This
Way Again"

Class Flowers
Daisies and Daffodils

Class Colors
Forest Green—Sunshine Yellow

We, as the Senior Class officers, feel that this past school year has been one of many accomplishments, not only for the Senior Class itself, but for each individual. This year, the last required year of school, has helped to shape our decisions

for the near future. Many of us will go on to college, others will not, but whatever the decision may be, let's hope that it is the best one. The people we have met, the education we received, and impressions left, will remain with us forever.

SENIOR SUPERLATIVES

Traditions are the foundations on which great works are built. Traditions are the standards which we must meet and surpass.

The Agrarian recognizes the value of tradition in our lives. We would like to begin a new tradition for Wheat Ridge High School, a tradition that sets standards which classes of the coming years can measure themselves against and attempt to surpass.

This year, the Agrarian requested the Farmers' Daughters and Key Club to select outstanding seniors who excelled among their fellow classmates in certain areas. Farmers' Daughters and Key Club deserve special thanks for spending their time in selecting these seniors.

The fool has no love for reflection but only for airing his opinion...

Listen to advice, accept correction, to be the wiser in the time to come.

ATTENDANCE

I meant to do my work today
But a brown bird sang in the
apple tree,
and a butterfly flited across the
field,
and all the leaves were calling me.

And the wind went sighing over
the land,
Tossing the grasses to and fro
And a rainbow held out its shining
hand—
So what could I do but laugh and
go.

ACTIVITIES

YOU ARE THE SUNSHINE

"Homecoming? Sure! I'd love to go!"

"Guess who I'm taking to homecoming!"

"Guess who asked me to homecoming!"

"What should I wear?"

"What kind of flowers should I get her?"

So goes the week before homecoming--that big blank space on the calendar finally got filled.

Meanwhile, we stuffed ourselves, 25 of us to be exact, into a Volkswagen, while dressed like Frankie Avalon

OF MY LIFE

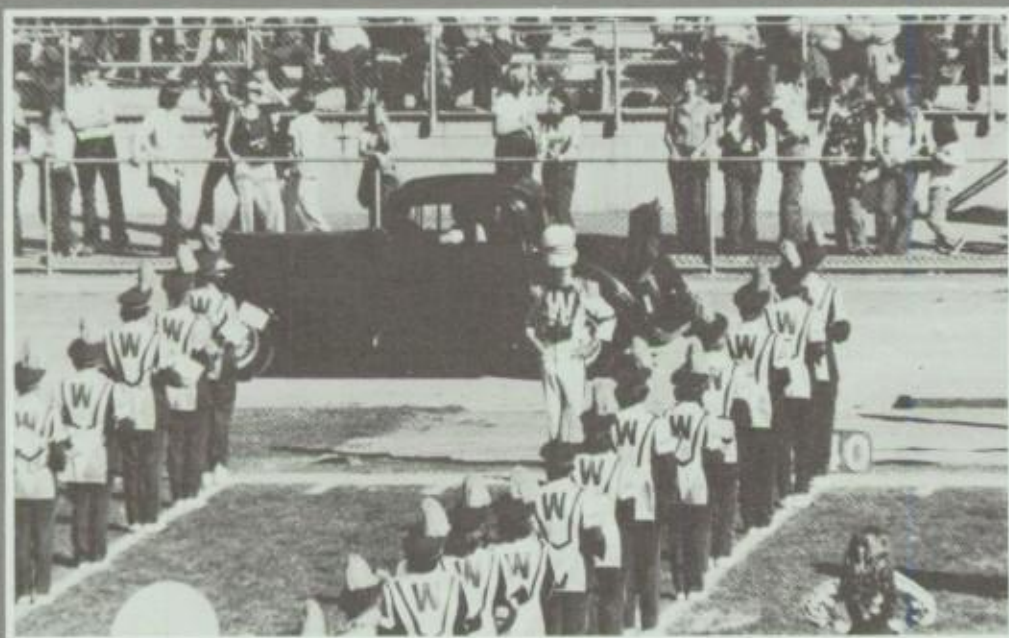

and Annette Funecello, lapped up spirit suckers, and made the farm look real by dressing as hicks.

What a game! Sunshine coated all as the Alameda Pirates lost not only their anchor, but the game, their shirts and their pride as well.

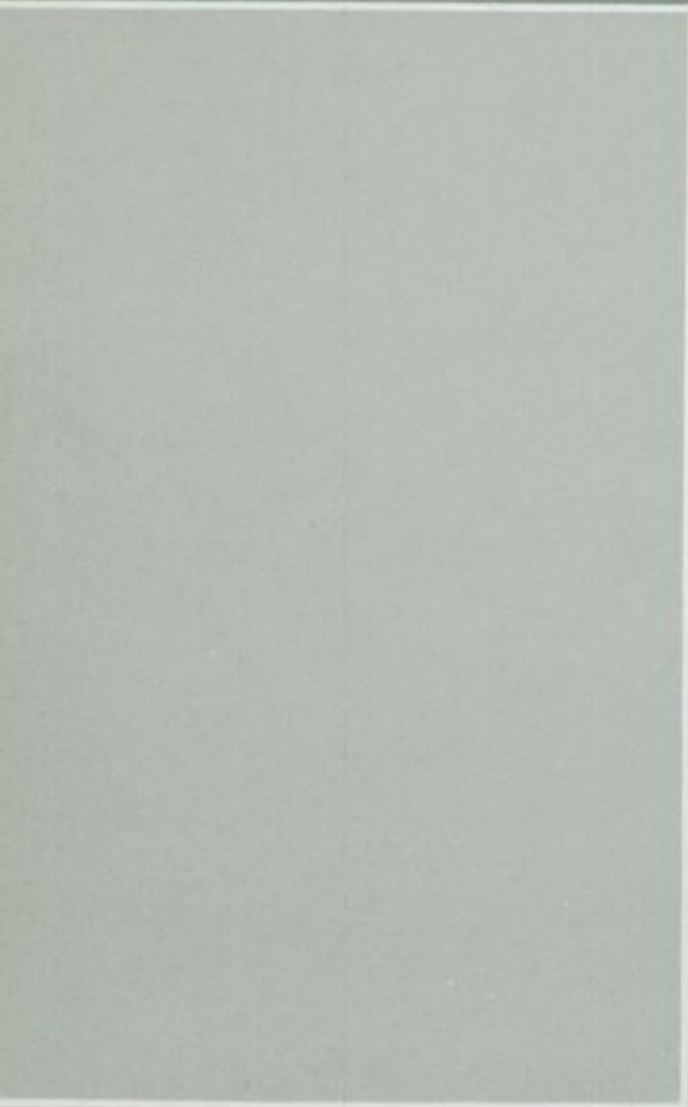

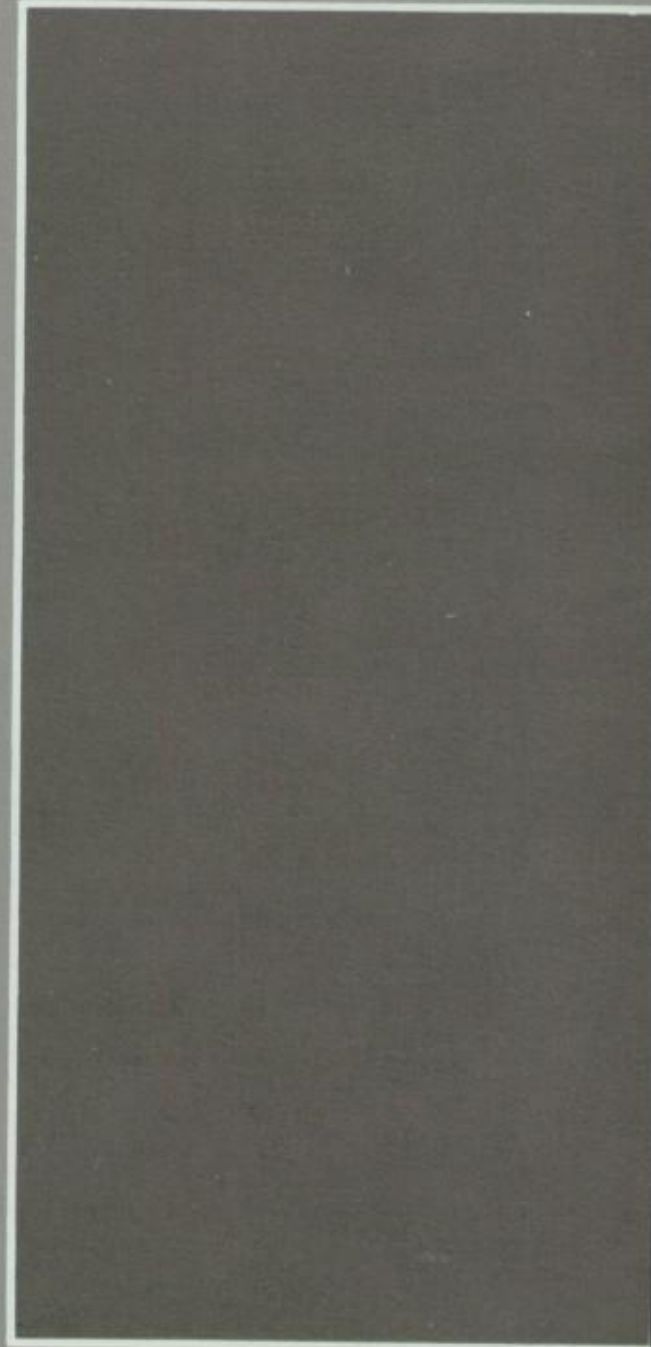

Smile . . . tension . . . dance . . . uptight . . . relief! A little laughter.

Midnight? Oh! It's over?

Press the corsage. Save the ticket stub. Both look nice on the white paper of a scrap book and the clear picture of a memory.

GIRLS AND BOYS STATE

Early in June, last year, the American Legion sponsored the 27th annual Colorado Boy's and Girl's State at Colorado State University. The Legion's program is concerned with government at the levels of city, county, and state. While at the conference, students are exposed to political methods, party structures and various aspects of politics. The program is also designed to develop, in the young citizen, a working knowledge of the structure of our government and to impress upon them the fact that their government is just what they

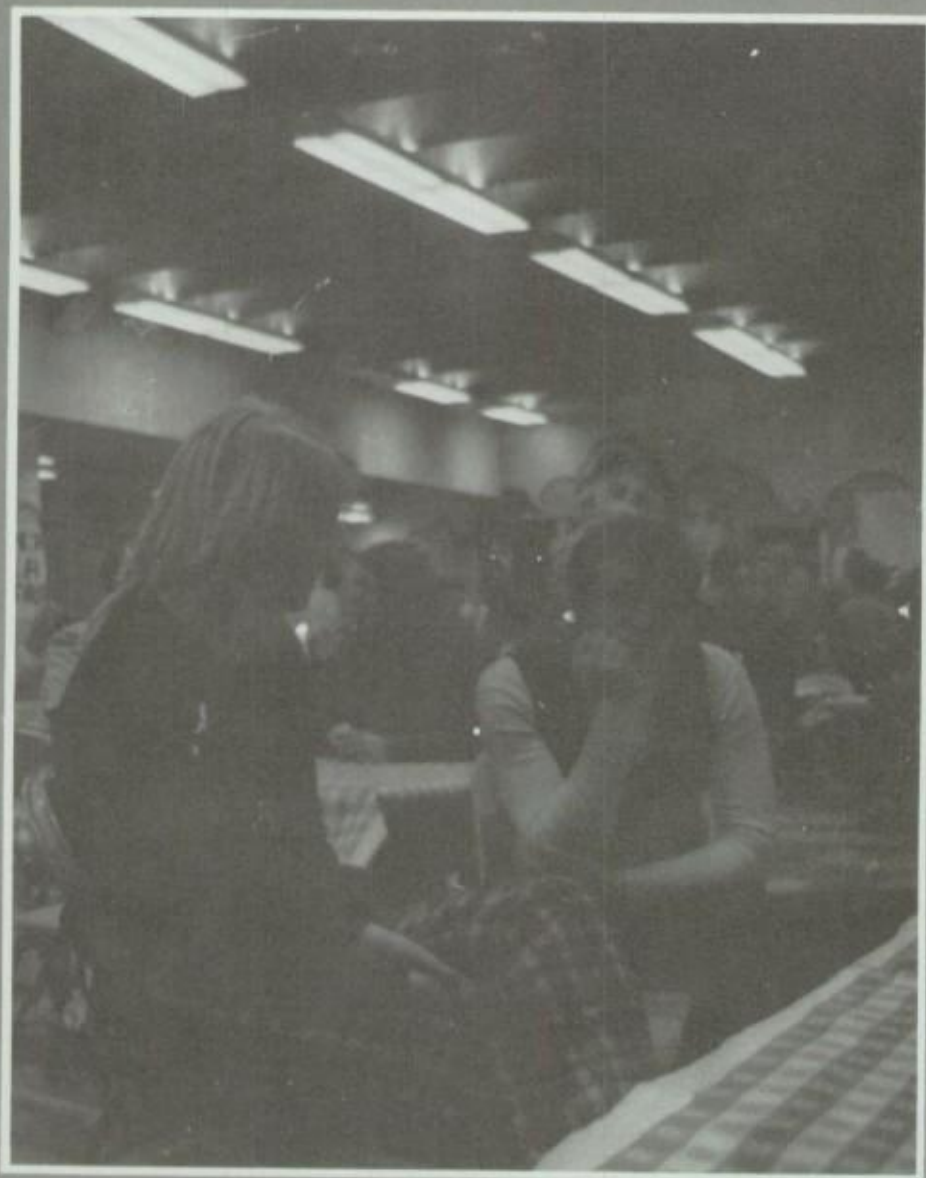

make it. Students are involved in various simulations which would determine their leadership abilities, awareness of government proceedings, and an over-all appreciation of our political system. The participants are usually sponsored by the school. Last year our school was represented by: Shelly O'Connell, Beth Wilson, Katy Lewis, and Diana McCormick in Girl's State; Tom Delapa, Mike Ernest, Bob Clark, Andy Burleigh, and Bob Baird in Boy's State.

MARCHING

The gun sounds and it's half-time at the football stadium. The Band moves quickly onto the field, and soon reaches the 50-yard line, marching to the school song. Time for a formation--be sure to look straight ahead, shoulders back, and raise those knees high!!

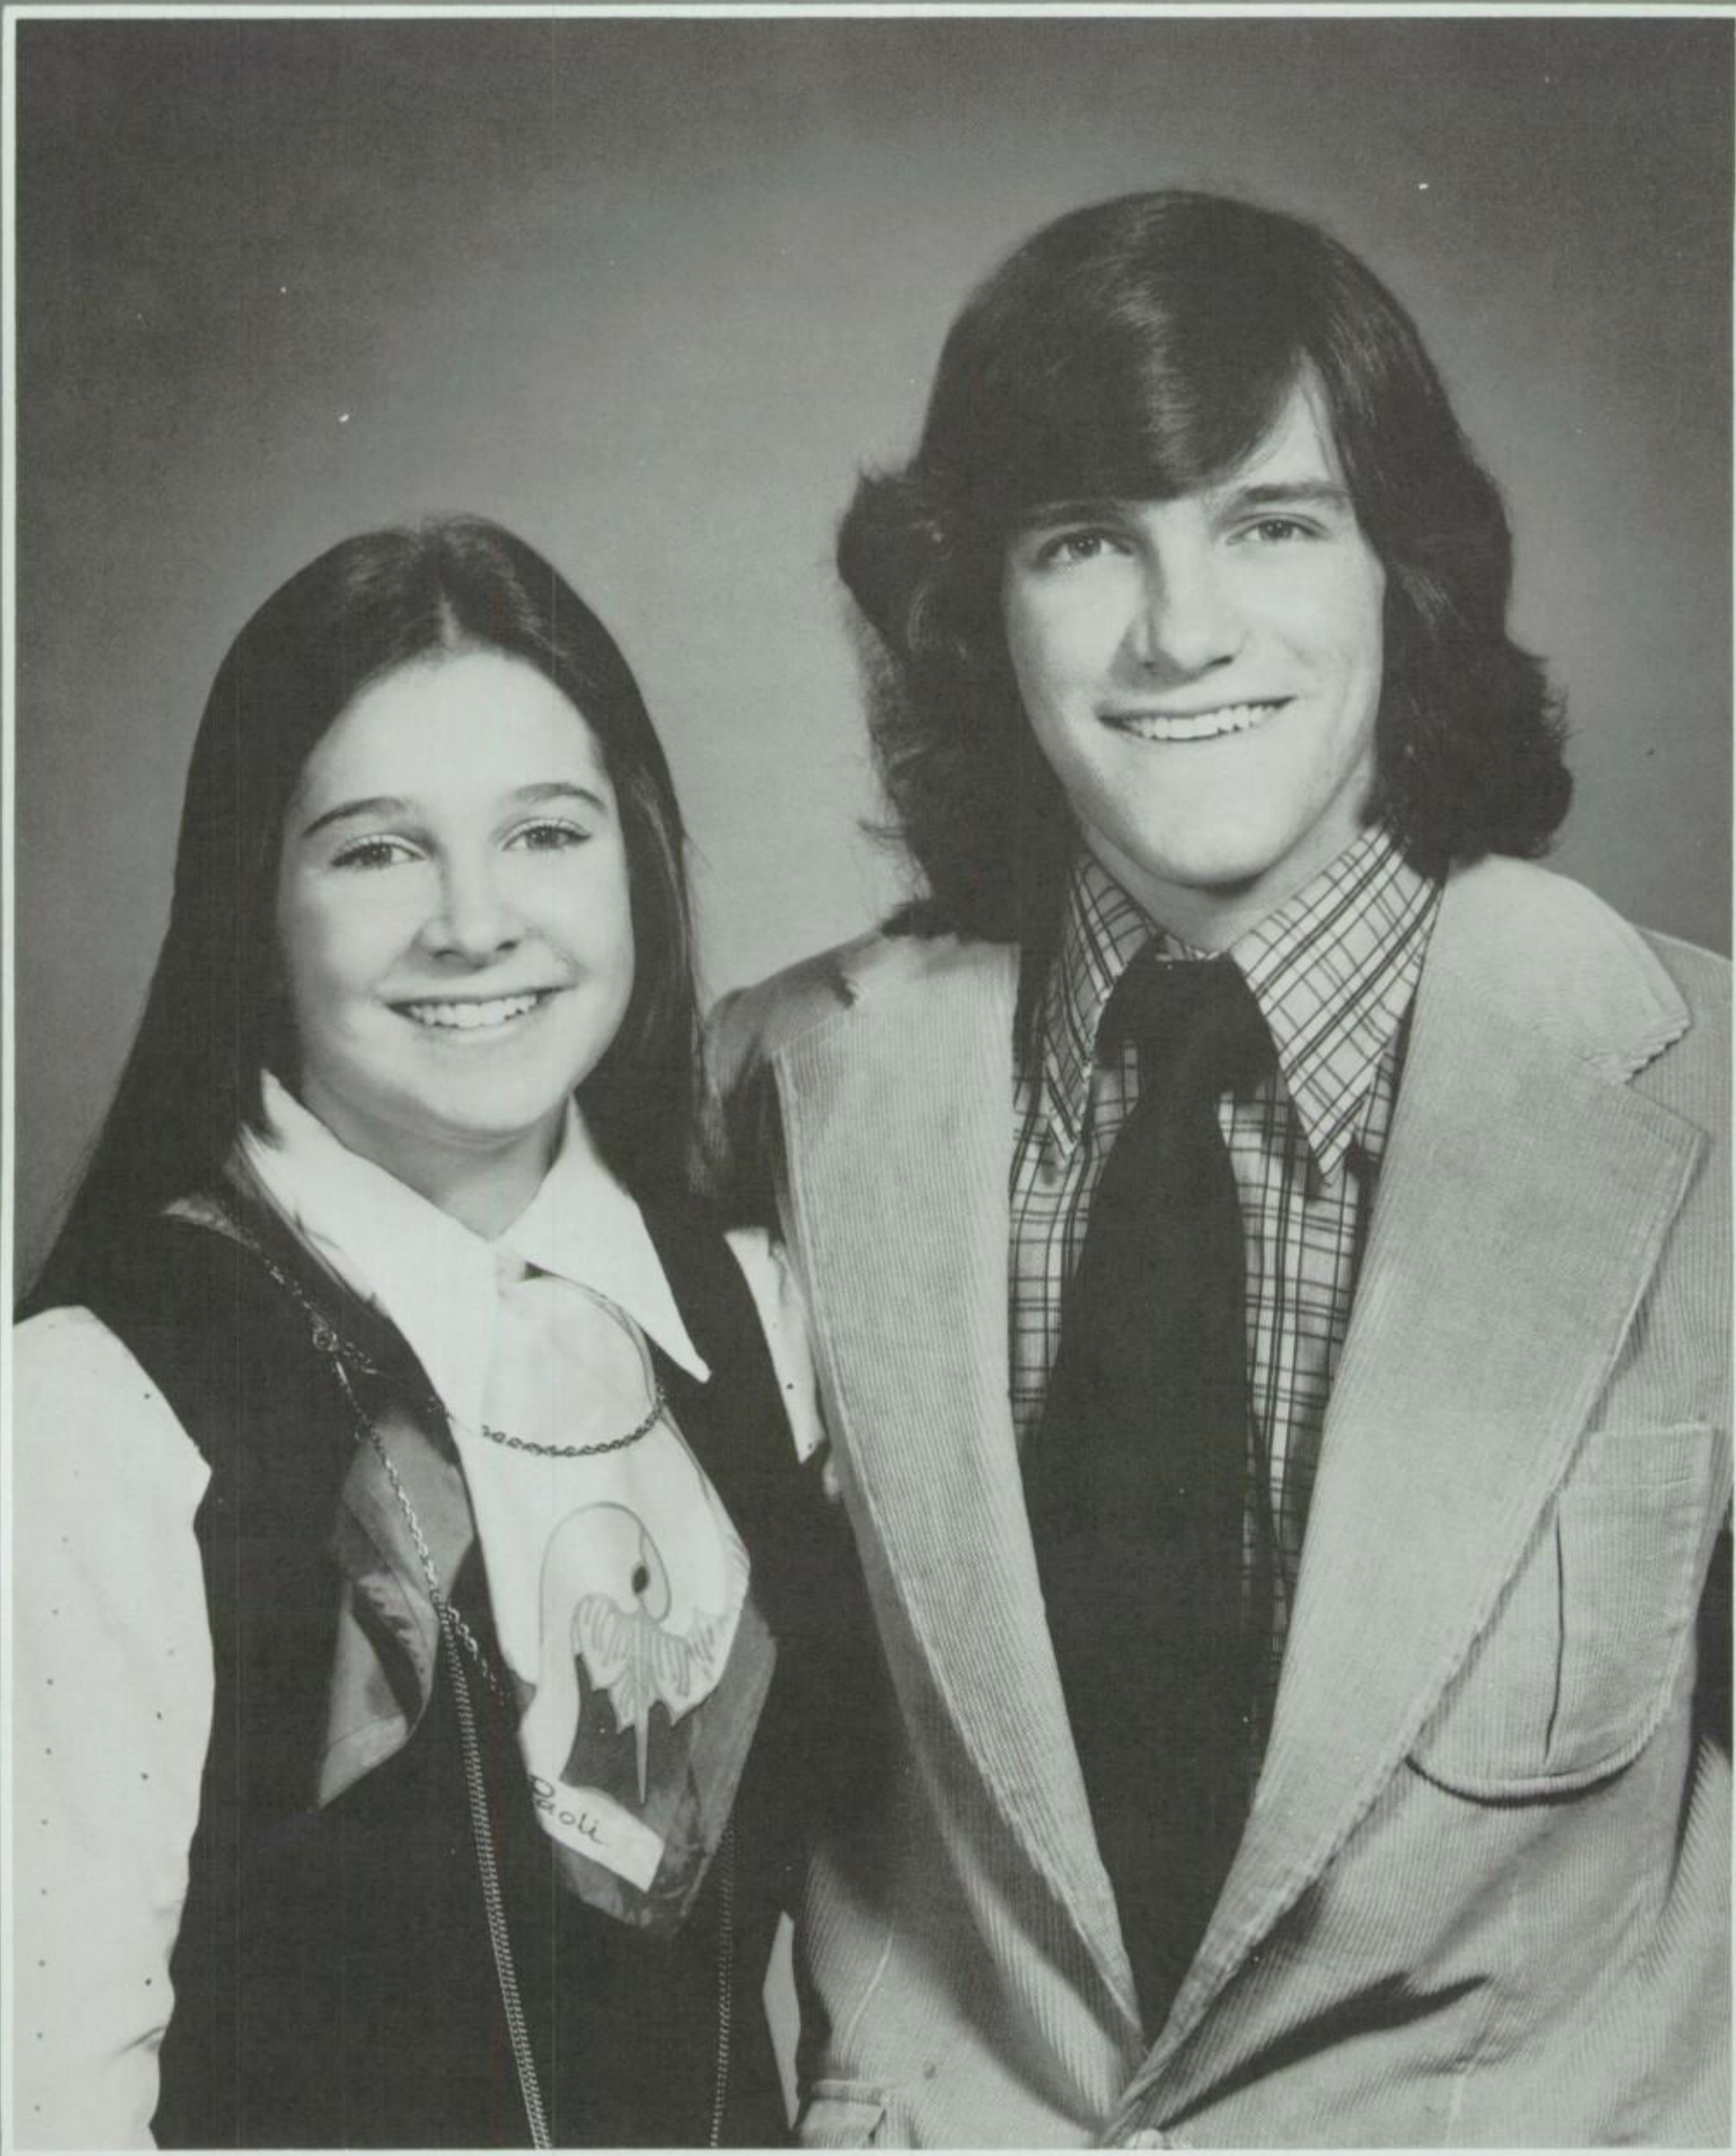

BAND

NO ONE moves during the formations whether they are melting under three layers of clothing, or their hands have been permanently frozen to their instruments. The whistle sounds ending another half-time performance, and the band marches off the field.

OPPORTUNITIES

AGRARIAN

All year the Agrarian Staff members have been hard at work spending long but happy hours over pages of the best yearbook in the history of Wheat Ridge High School. Photographers sporting complicated photography equipment have haunted the sports events, club meetings and activities trying to capture important moments to be recorded forever in the Agrarian. While the work

involved in putting together this unique book was hard and sometimes tedious, the experience of working with friends was very rewarding and even fun. Then there's the feeling of accomplishment when the job is done and the work of an entire year yields a visual account of everything that went into the making of a great school year.

BANNER

The press has long been an important aspect to civilization. The French gave journalists the position of the Fourth Estate and America's founding fathers protected the journalists with the First Amendment. The WHEAT RIDGE BANNER is continuing the high standards of journalism.

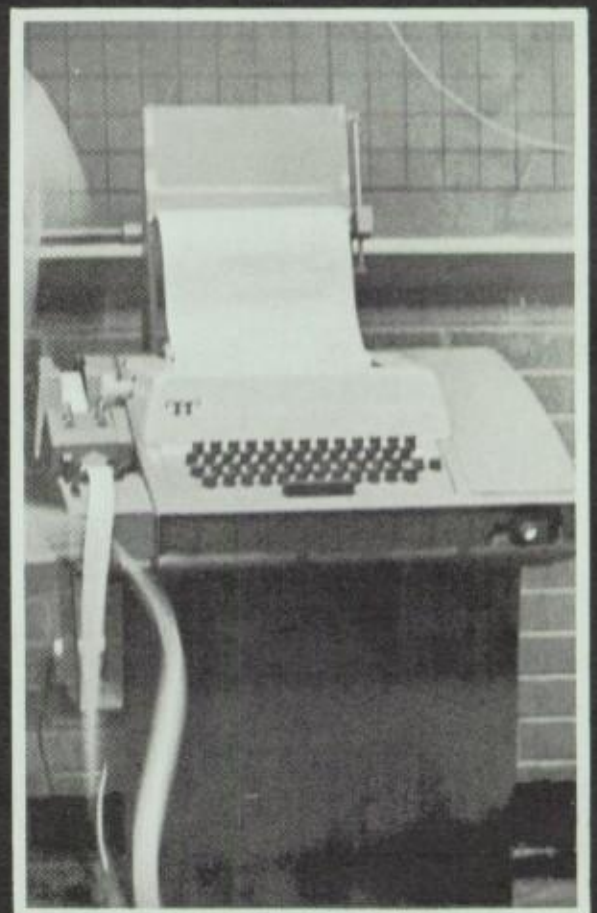

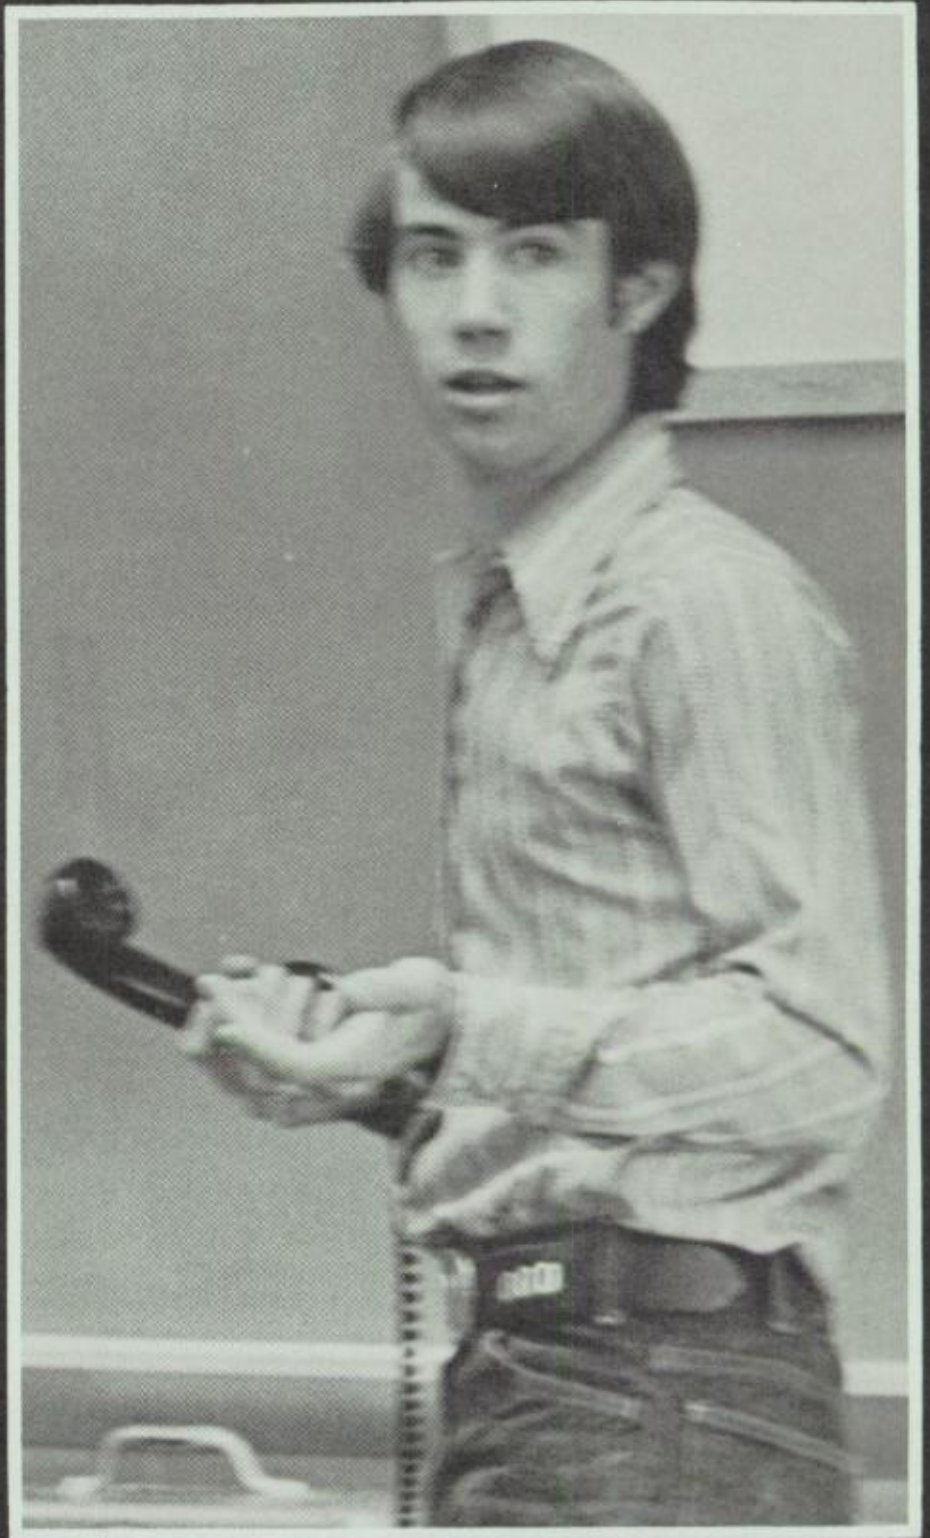

In previous years the BANNER was put out by a journalism class. This year the BANNER became an extracurricular activity, with students giving their time and talents to the BANNER.

BOWLING CLUB

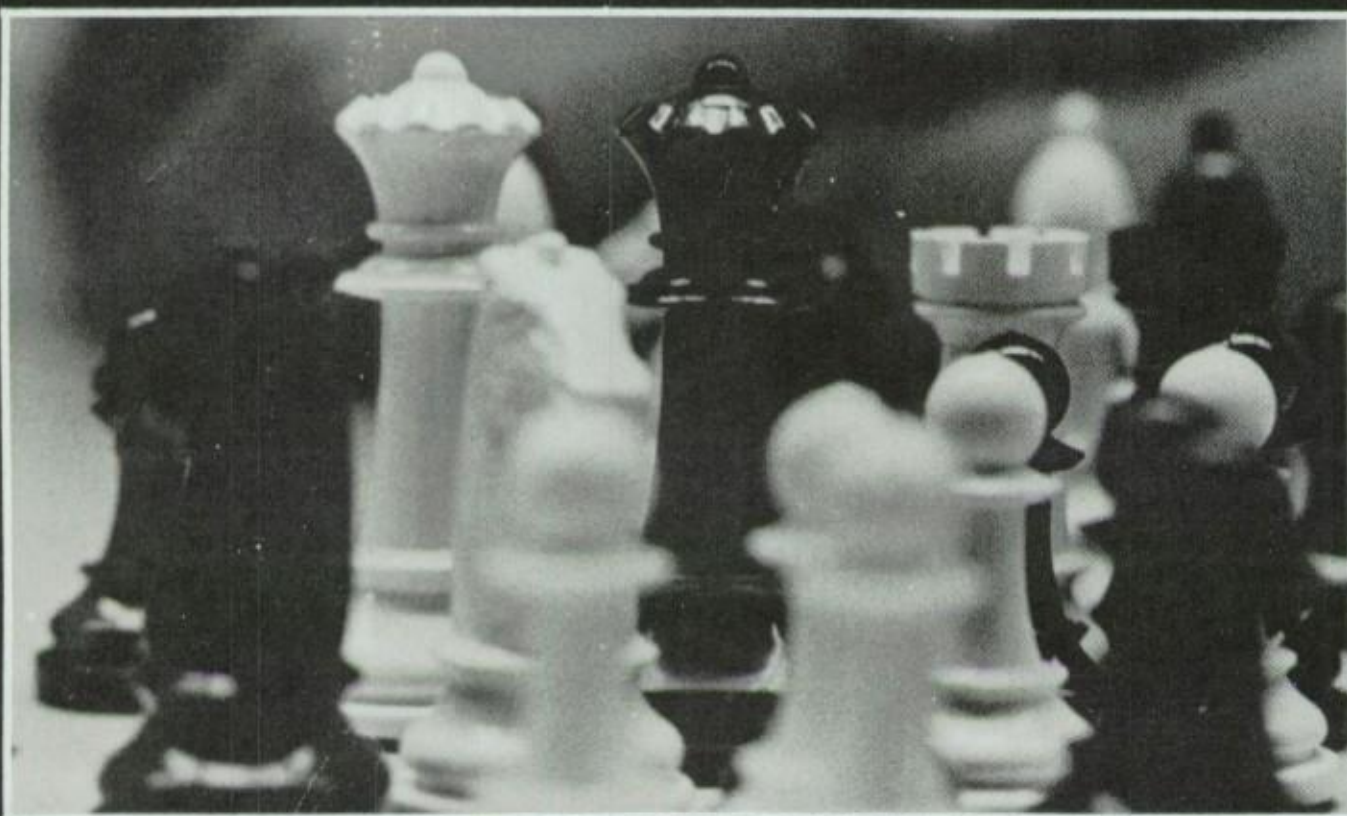

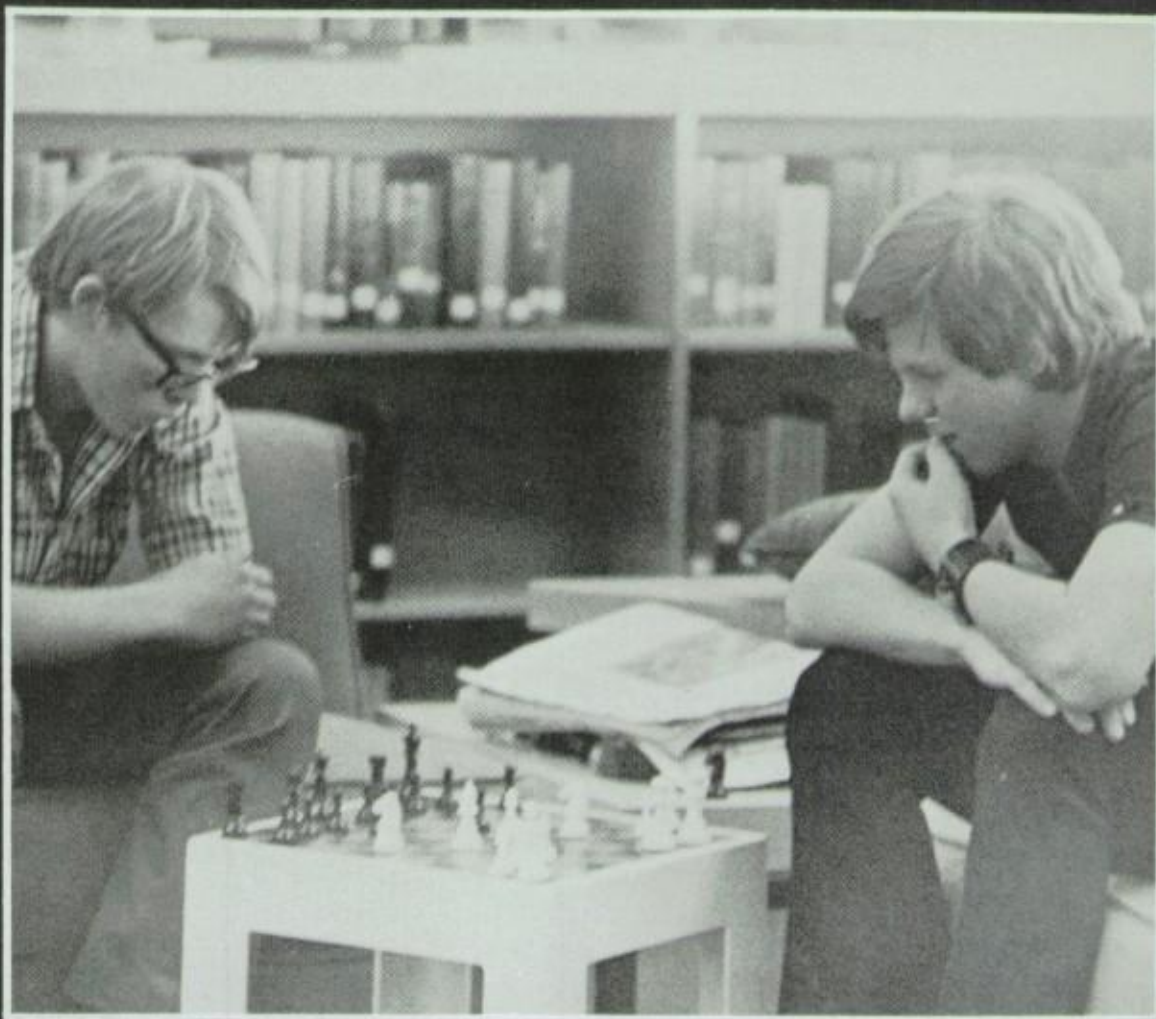

COMPUTER CLUB

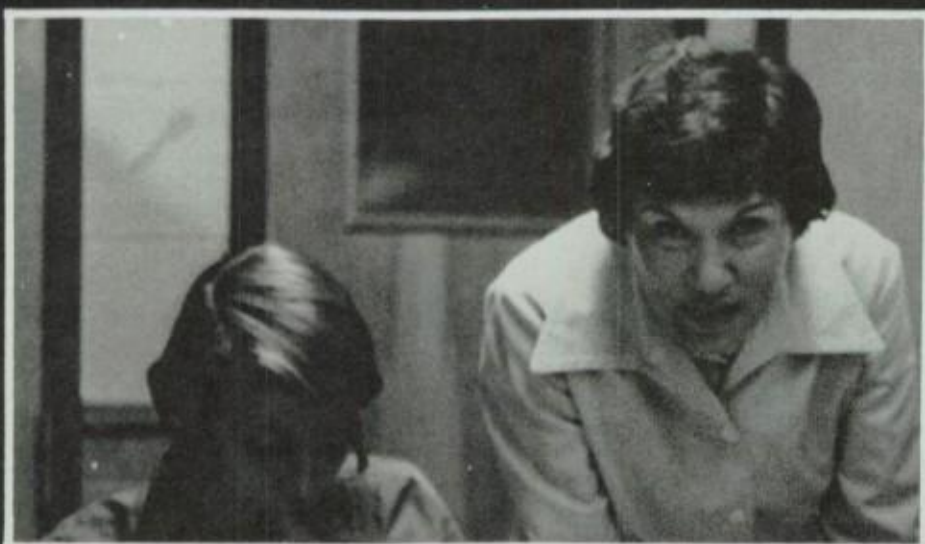

John Ridges and David Whitney were the co-presidents of the Computer Club this year. These two worked with the other members and the computer on mathematical problems and communicated with other schools in the county through the files.

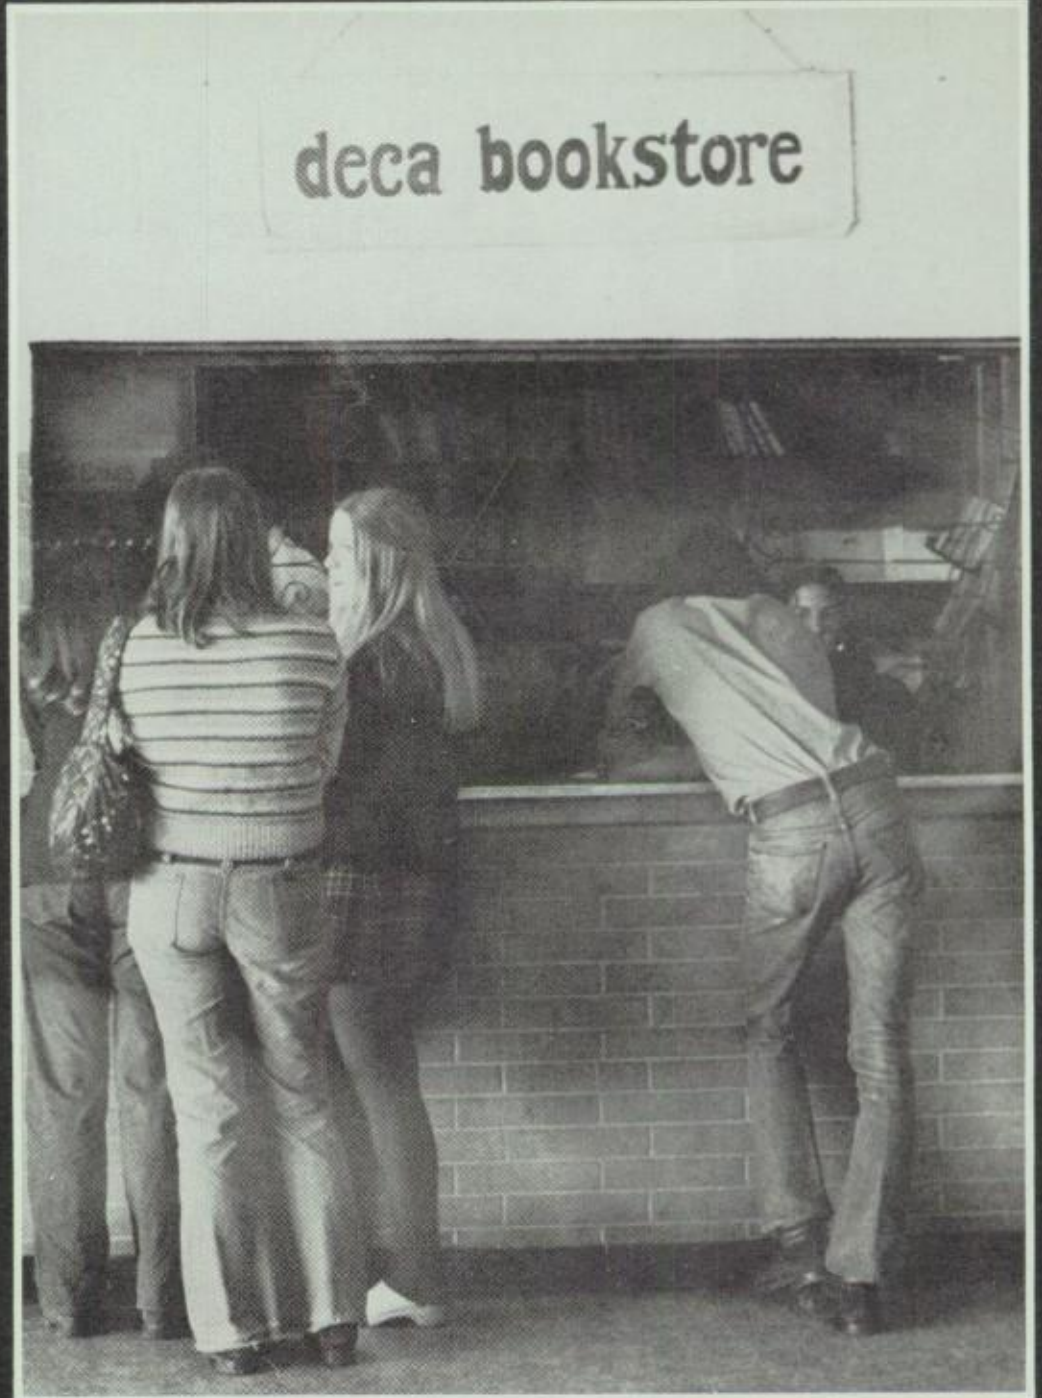

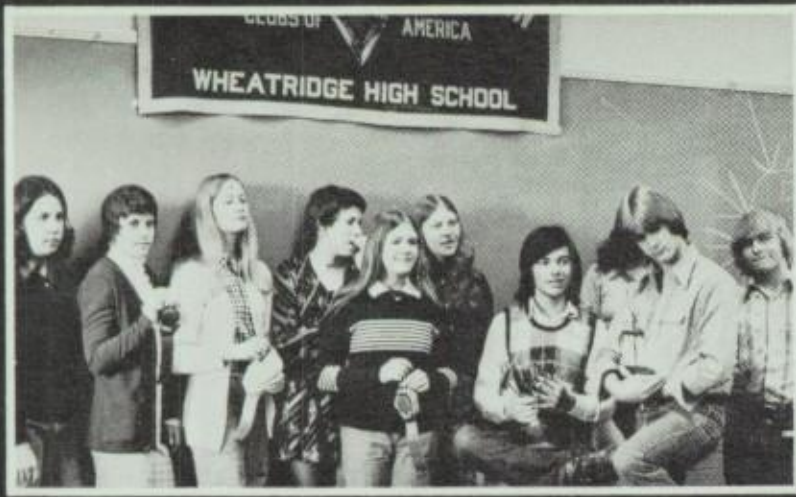

CHESS CLUB

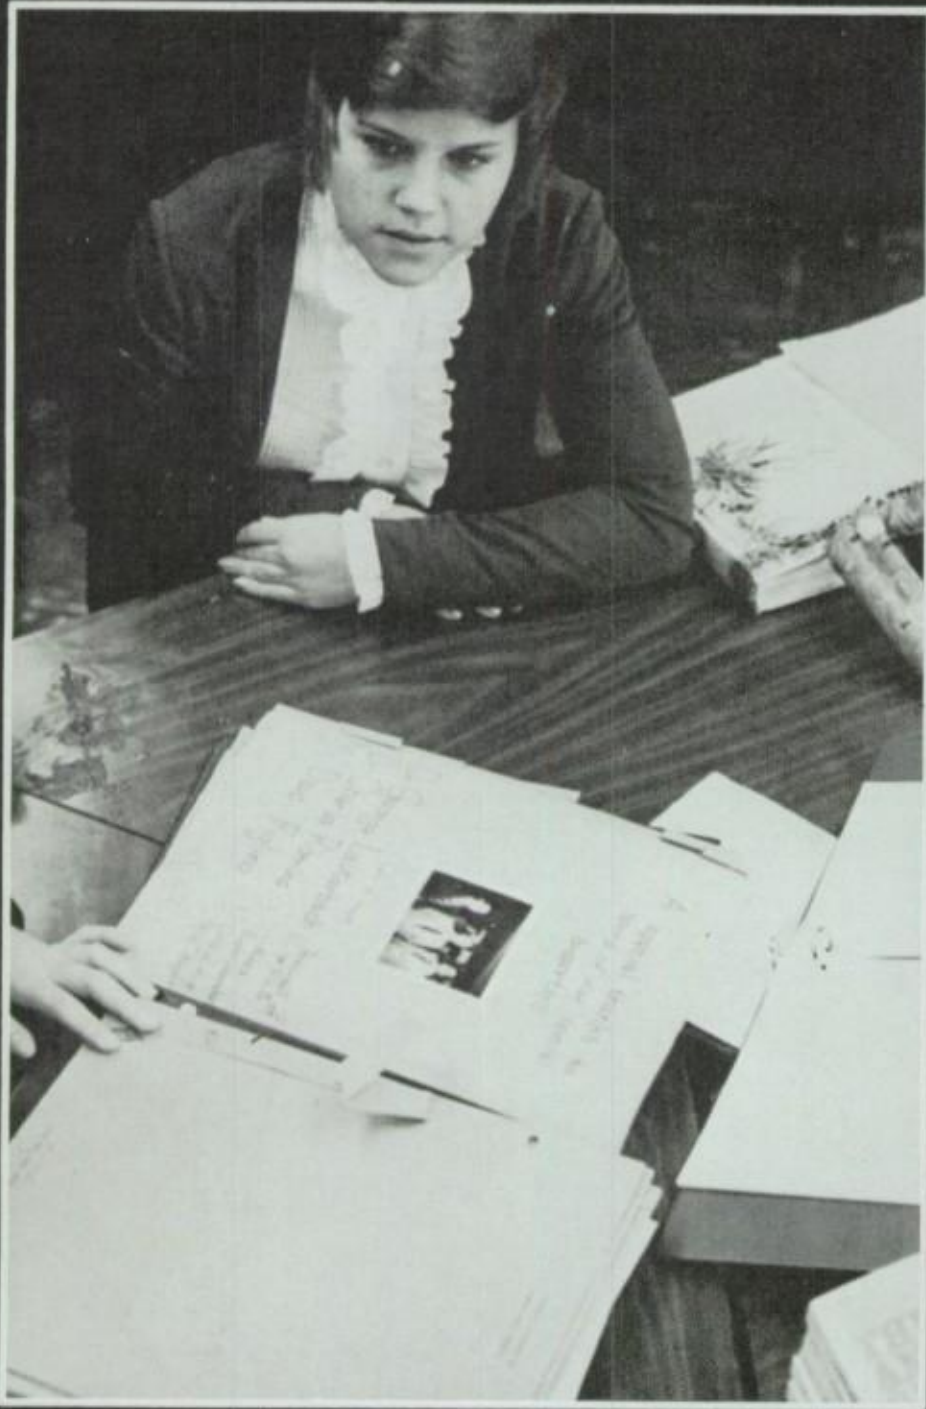

This year's Chess Club ran on a challenge system where each player was ranked and could compete for a higher position. Dave Burton was ranked first for most of the year. The club was run by co-chairmen Greg O'Neill and Dave Burton; and sponsor Miss Williams. They had tournaments with other schools and planned a faculty match.

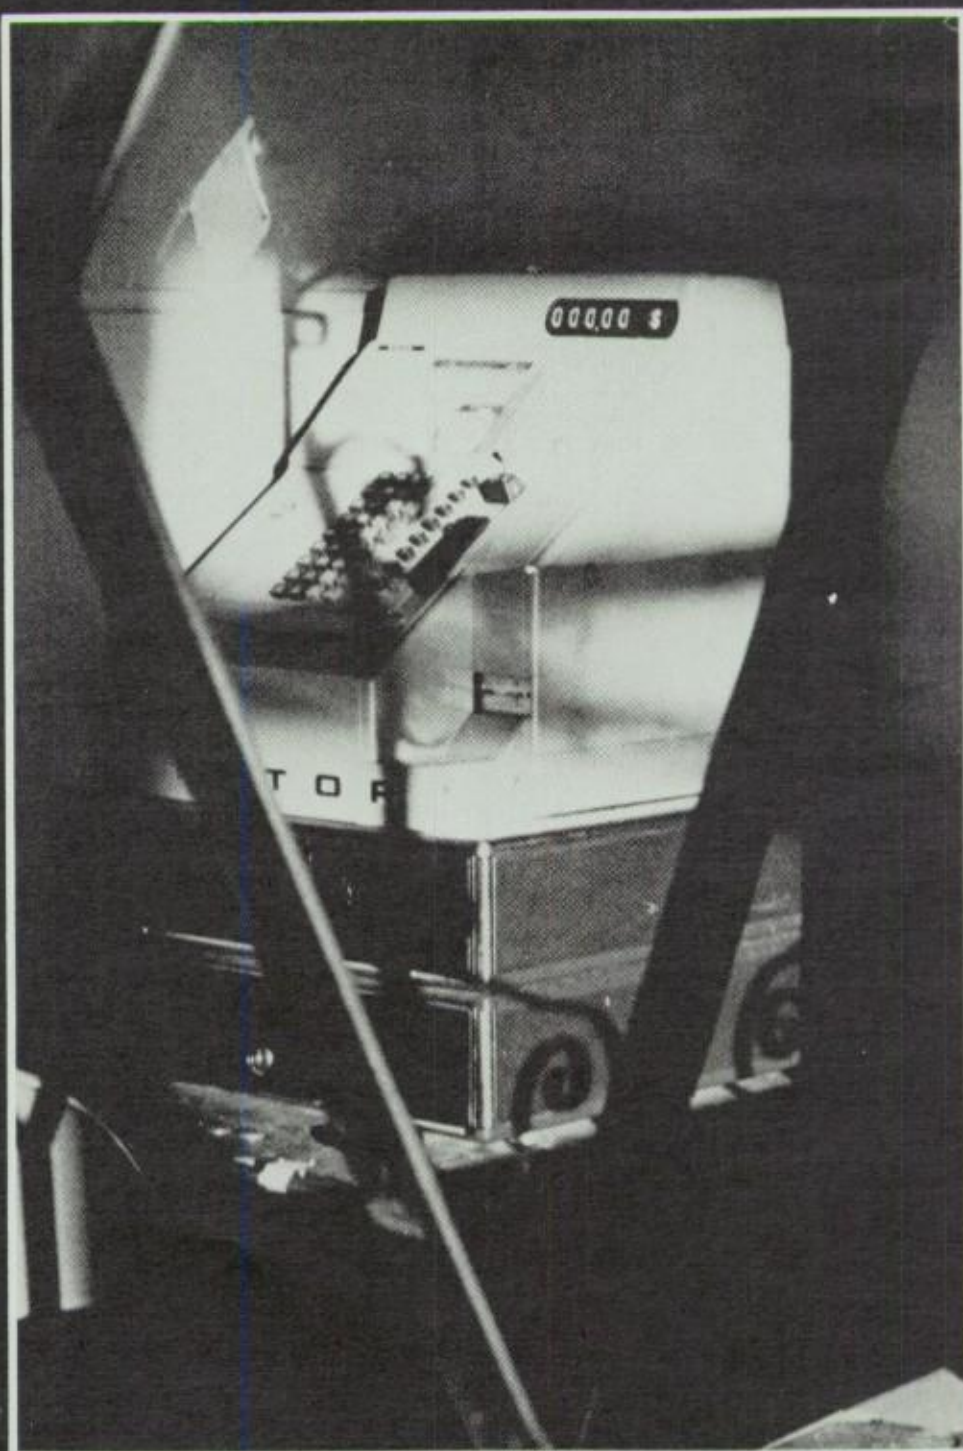

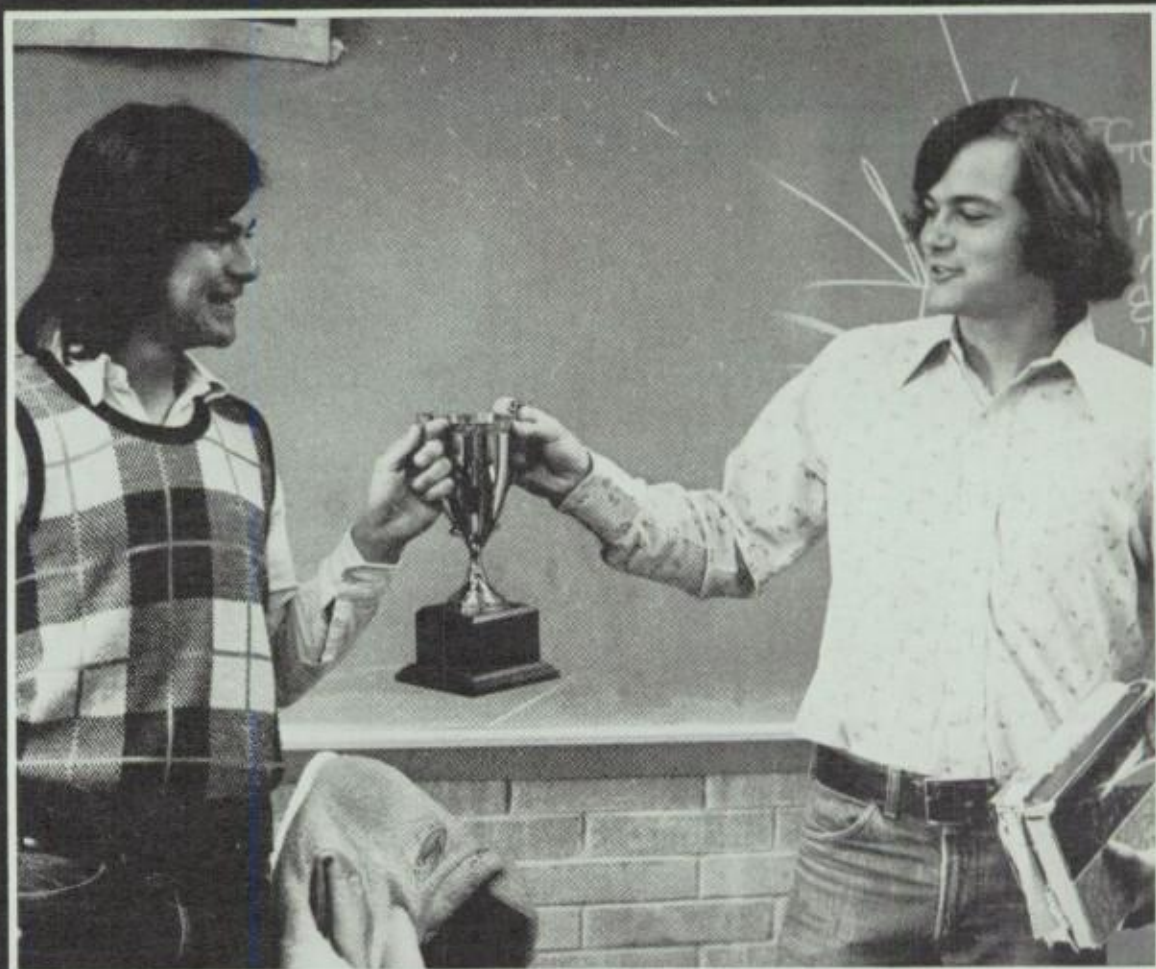

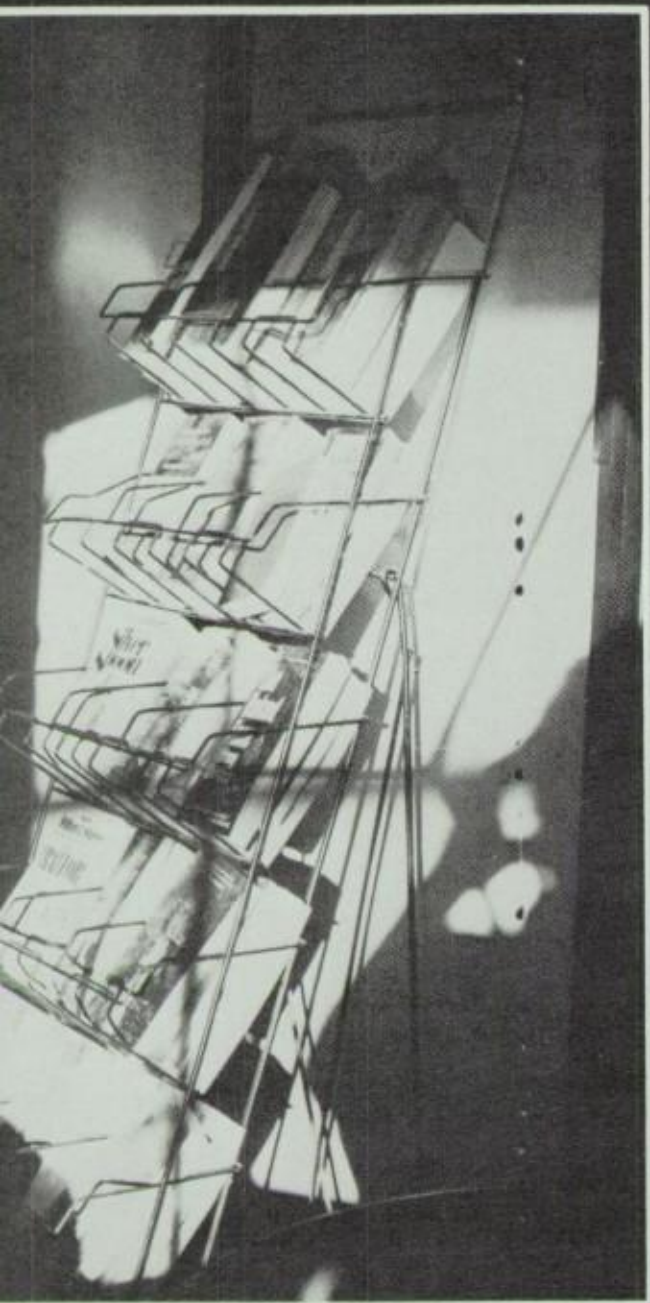

DISTRIBUTIVE EDUCATION CLUBS OF COLORADO

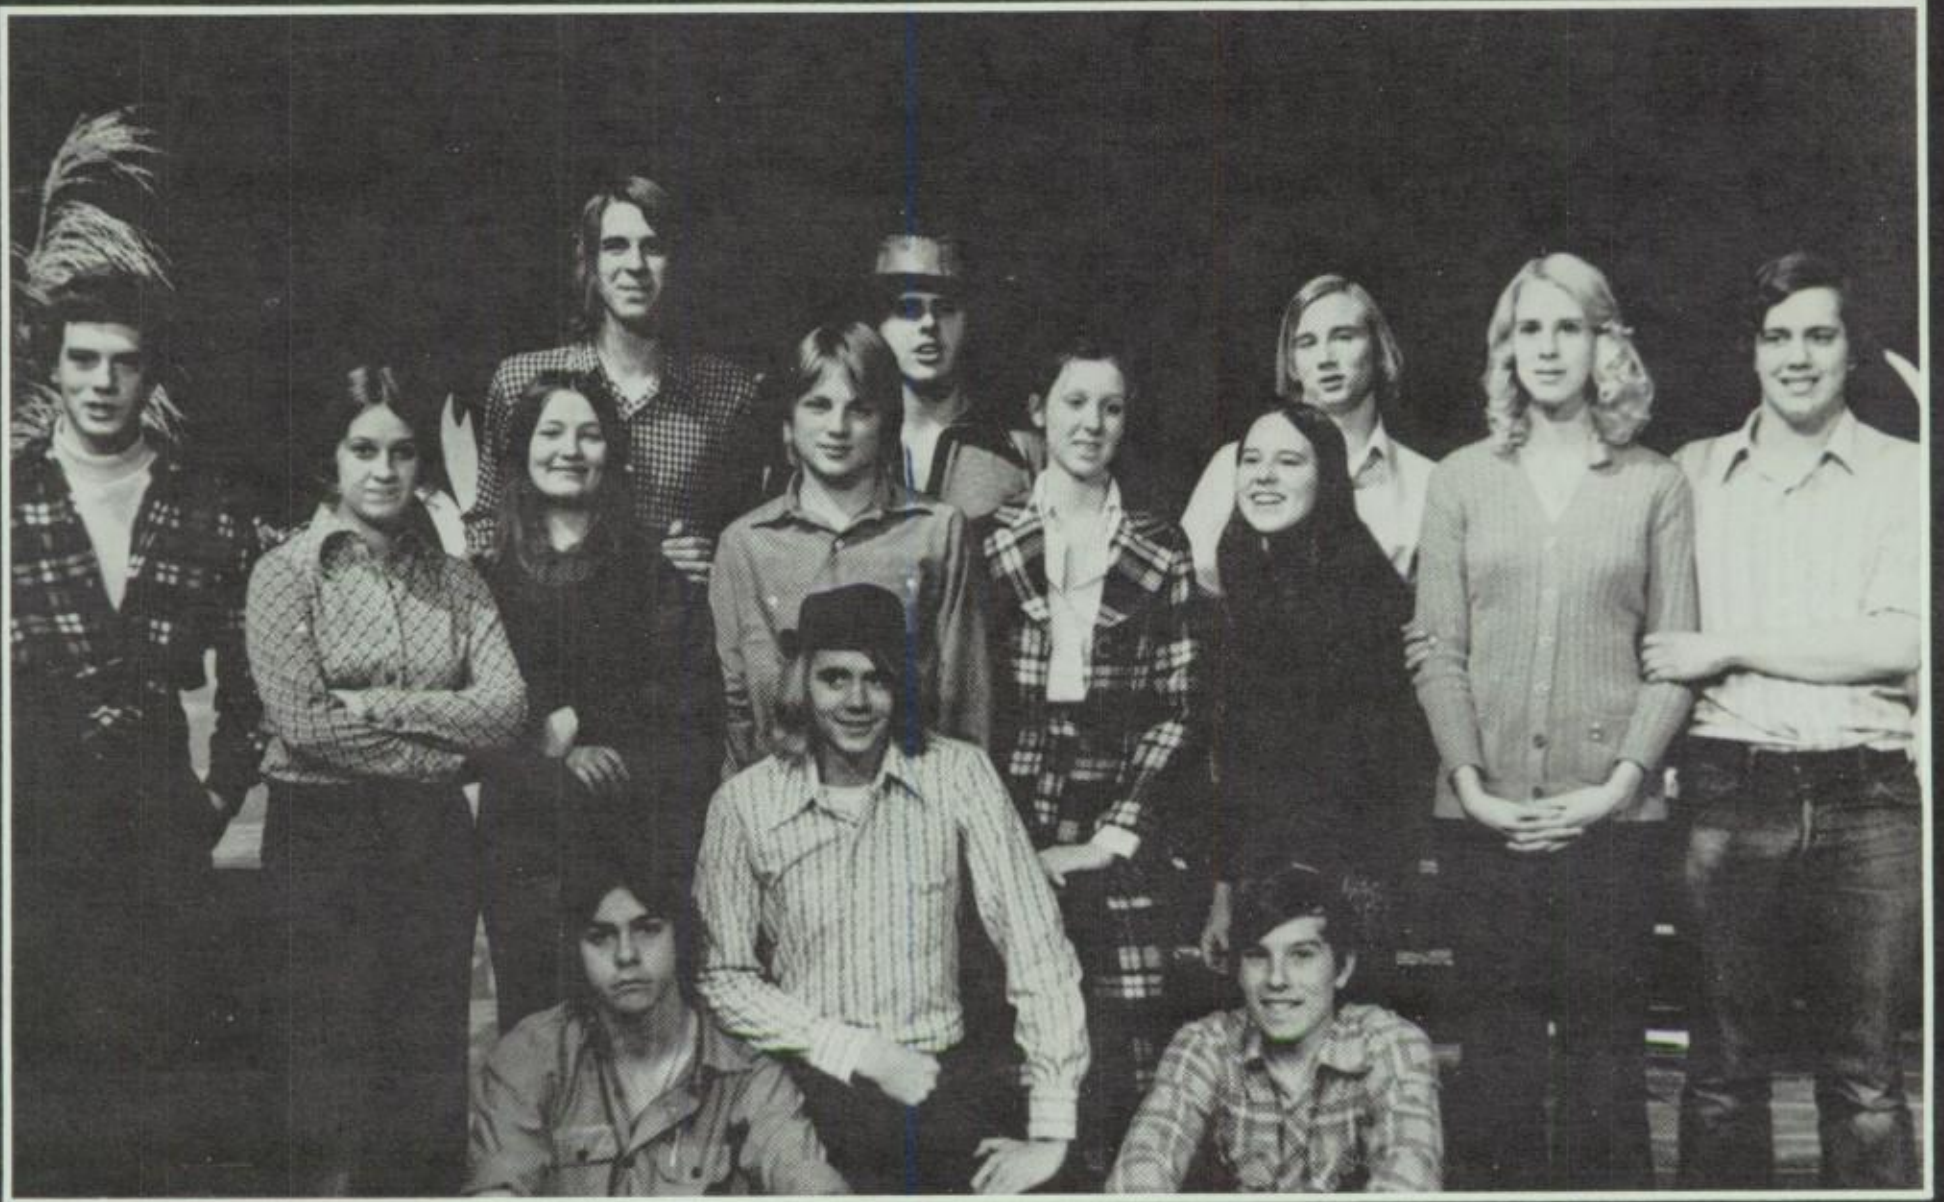

DRAMA CLUB

DRAMA CLUB

The Drama Club (Top, opposite) is mainly responsible for the production of the plays produced at Wheat Ridge. This year, Arthur Miller's "The Crucible" and Strauss' "Bye, Bye, Birdie" were produced very successfully. These accomplishments were due to the new Drama coach, Mr. Ament, in his first year of teaching. Pres: Marc Moran; Vice Pres: Frank Lancaster; Secretary: Alice Jensen; Treas: Darnell Snyder; Recorder: Luanne Ferguson. The Stage Crew (Above) is also a big help when it's time to put on a play. They are responsible for all of the props and settings used and have done a great job during the plays. The Thespians (Bottom, opposite) is the most honored club among the theater-goers. All members must have 100 hours on or behind the stage and then be voted into the club. Pres: Marc Moran; Vice Pres: Frank Lancaster; Sec: Alice Jensen; Treas: Darnell Snyder; Recorder: Luanne Ferguson. This year the Drama Dept. took the time needed to completely rewire the sound and lighting fixtures throughout the auditorium. Our many thanks to them for helping make all programs there more enjoyable.

NATIONAL HONOR SOCIETY

JUNIOR CLASSICAL LEAGUE

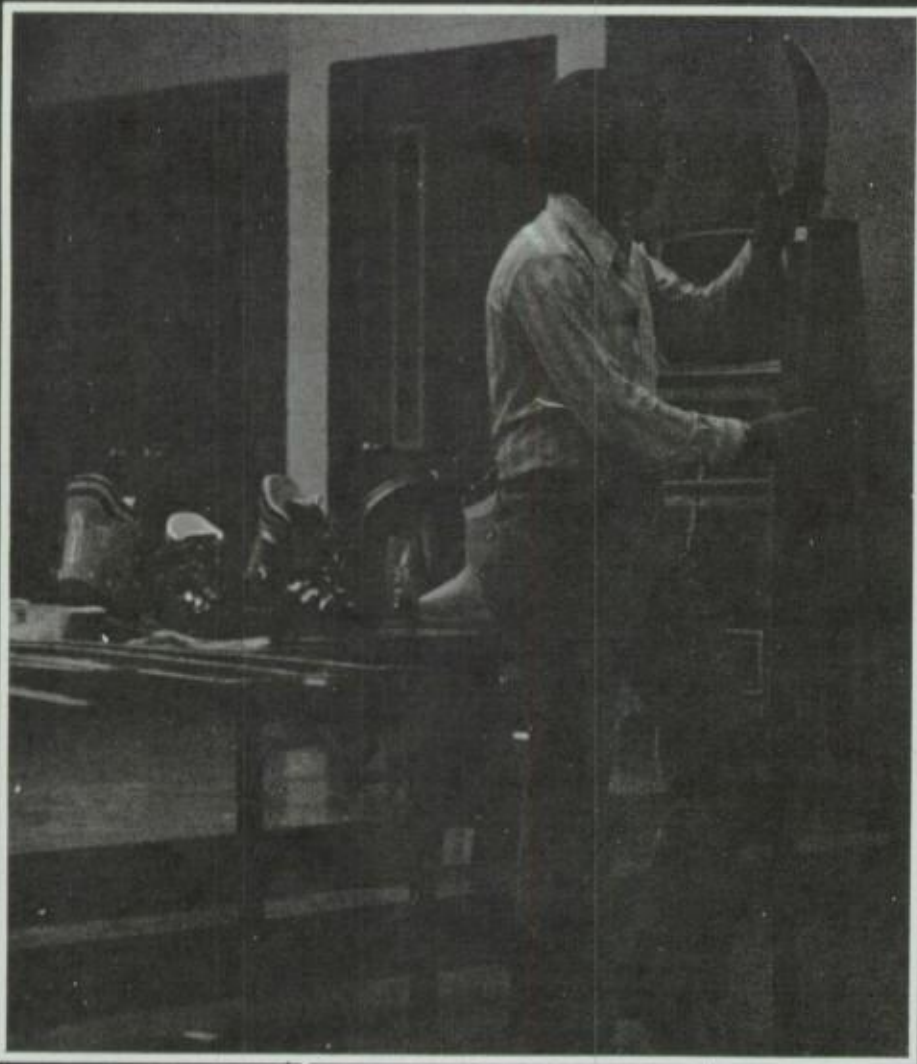

Latin Club has had many various activities to complement the year of 1974. For Homecoming, these busy members built a blue-ribbon float entitled "The Sun Always Shines on the Farmers", which it in fact did all year. A big event was the Saturnalia, which the Arvada High Schools sponsored this year. Saturnalia is the Roman Christmas which JCL members throughout the United States celebrate in the form of a banquet and junior olympics. All participating members are Roman-clad and receive a personal slave for the evening. Bob Clark was president of the WRHS Latin Club this year.

JUNIOR CLASSICAL LEAGUE

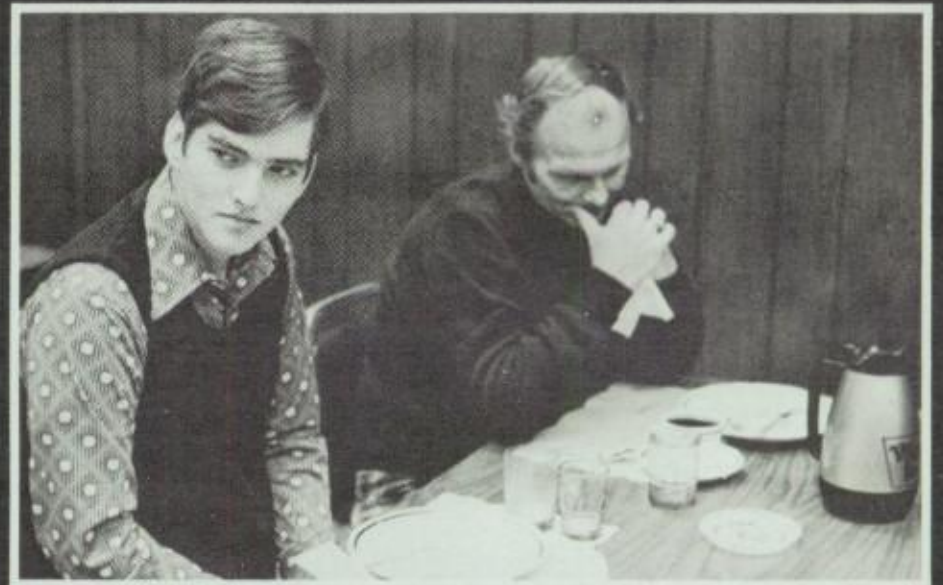

KANDAHAR SKI CLUB

Members of the Kandahar Ski Club participated in many activities this year, besides the single day ski lessons. Ski movies were shown at the meetings and a ski products dealer came to demonstrate ski equipment. The most exciting activity was the three-day weekend at Steamboat. The officers were, Pres: Pat Walsh, V. Pres: Ken James, and Treas: Tom Ghidossi and the club was sponsored by Miss Williams and Mr. Weinberg.

KEY CLUB

The Key Club is a boy's service organization sponsored by Mr. Hamill. This year, the guys helped the Kiwanis Christmas tree sale, ran a booth at International Day, and had a lot of fun just helping out.

MEDICAL CAREERS CLUB

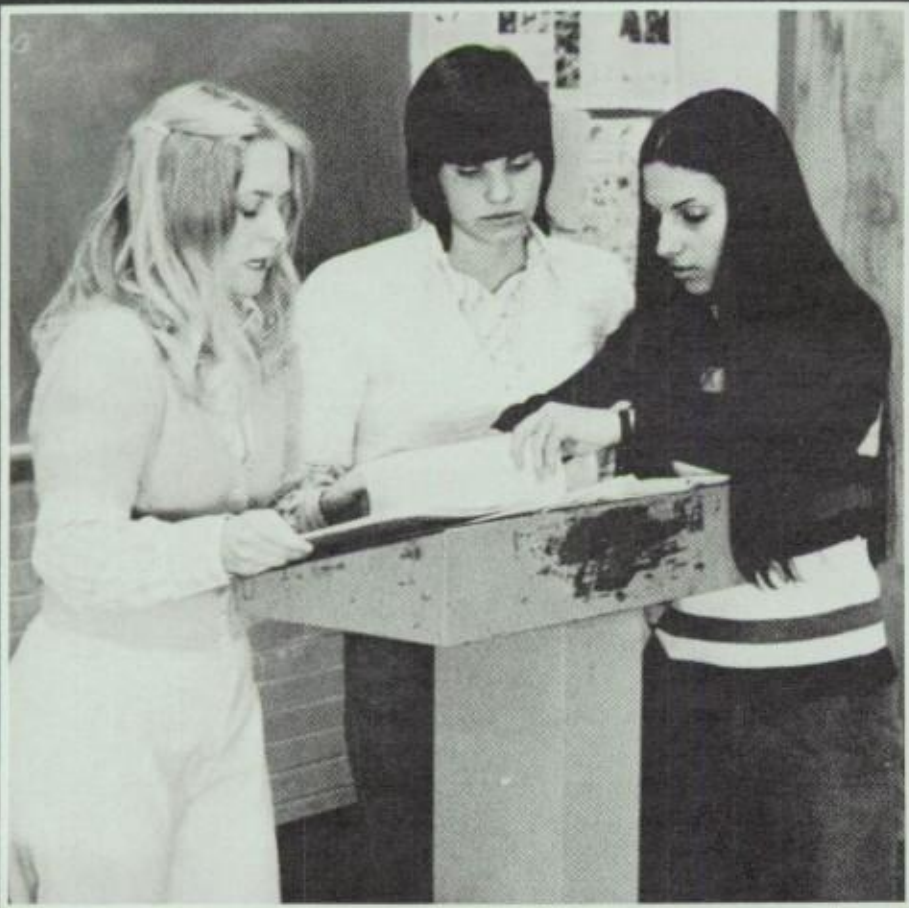

Picture courtesy of the Public Relations Office of St. Anthony's Hospital.

Medical Careers provides a unique opportunity for students who have questions and are seeking information about the ever changing medical field. We do this by going to the source. This year's officers are: Pres. Randy Curtis, V. Pres. Diane McCormick, Sec-Treas. Jeff West, and Sponsor John Moore.

NEW WORLD CLUB

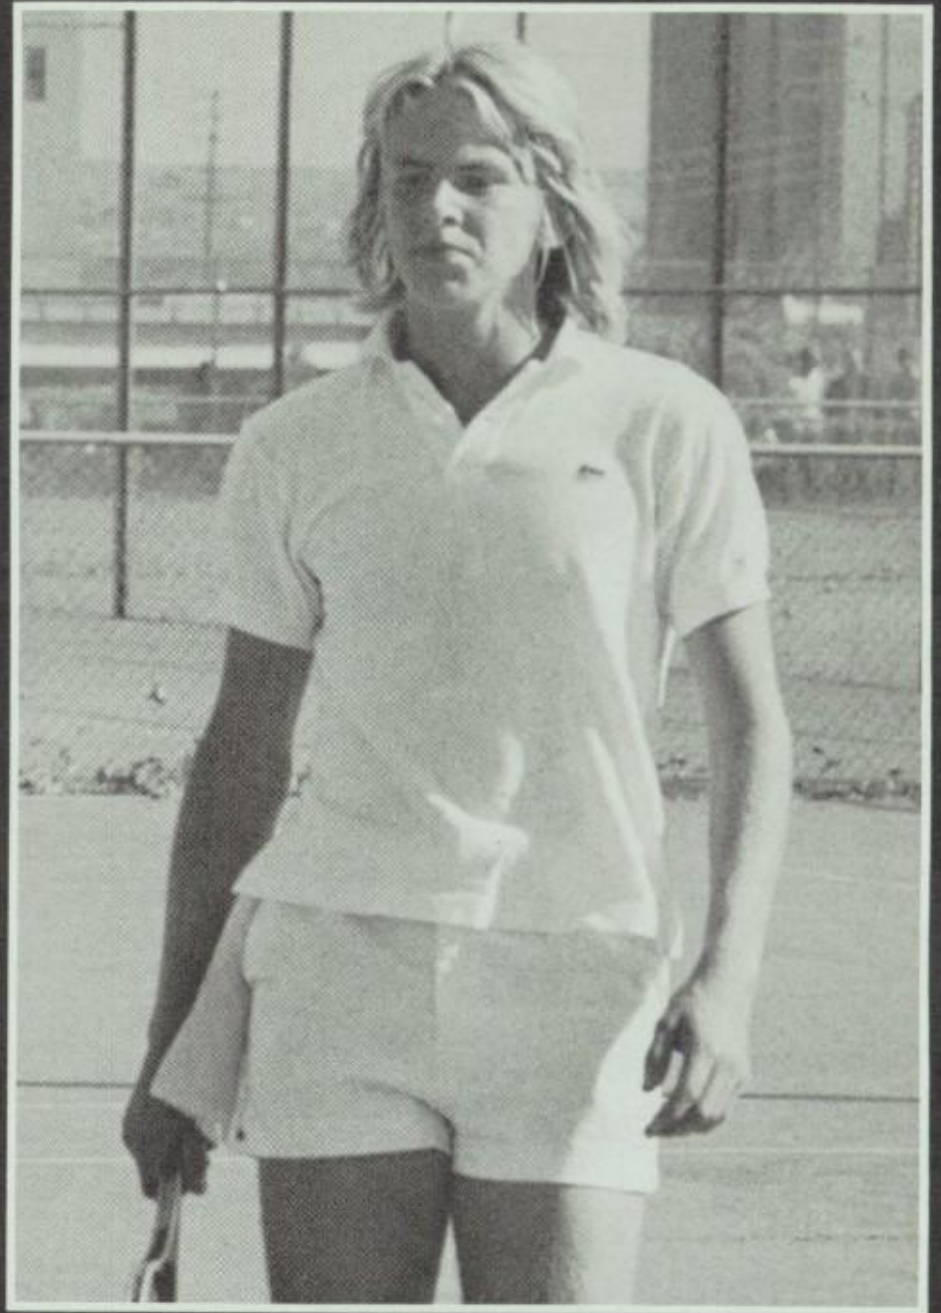

NEW WORLD CLUB

The New World Club (NWC) is a new organization which was formed this year by joining the American Field Service with the New Neighbors Club. The club provides opportunities for students new to Wheat Ridge; students from other countries, and students wishing to visit other countries. The first event participated in by all members was in November, International Day. There, NWC sponsored a booth to raise money and participated in the many happenings of the evening.

Annelies van Hoyweghen (pictured) is from Belgium and has been ice skating for the first time in Colorado. Claire Guilnogueau is from France and will be staying with the Debbie Dahl's Family until August of this year. Anders Erikson (pictured) has become famous while at Wheat Ridge, not only with the girls, but with the tennis team also. He was the proud winner of the Colorado state single's championships. Anders is from Sweden. All 3 foreign students are visiting Wheat Ridge for one full year and are busy taking English, science, mathematics, and a number of electives. Georgia Clemens of Wheat Ridge, returned this year after spending a year in Chile through the AFS (now NWC). During her year, Georgia went to the high school in which the other members of her family were enrolled and enjoyed the many social and educational benefits of Chile. Georgia stayed in Tome with one of the community's wealthiest families and had another AFS member living in the same neighborhood.

"HEY, STATE CHAMPS!!"

"We are the Farmers, the mighty, mighty Farmers!!" Cheering a team to victory is the glamorous and exciting part of being a cheerleader; smiling in the face of defeat is the most difficult. Besides this crucial function at all athletic events, our 12 cheerleaders, led by Jane Koepke, Varsity and Francis Chau, Junior Varsity also paint spirit posters for the cafeteria and school halls, decorated the buses to away events, baked cakes for the athletes and their coaches, planned pep assemblies, and practiced EVERYDAY!

RADIO CLUB

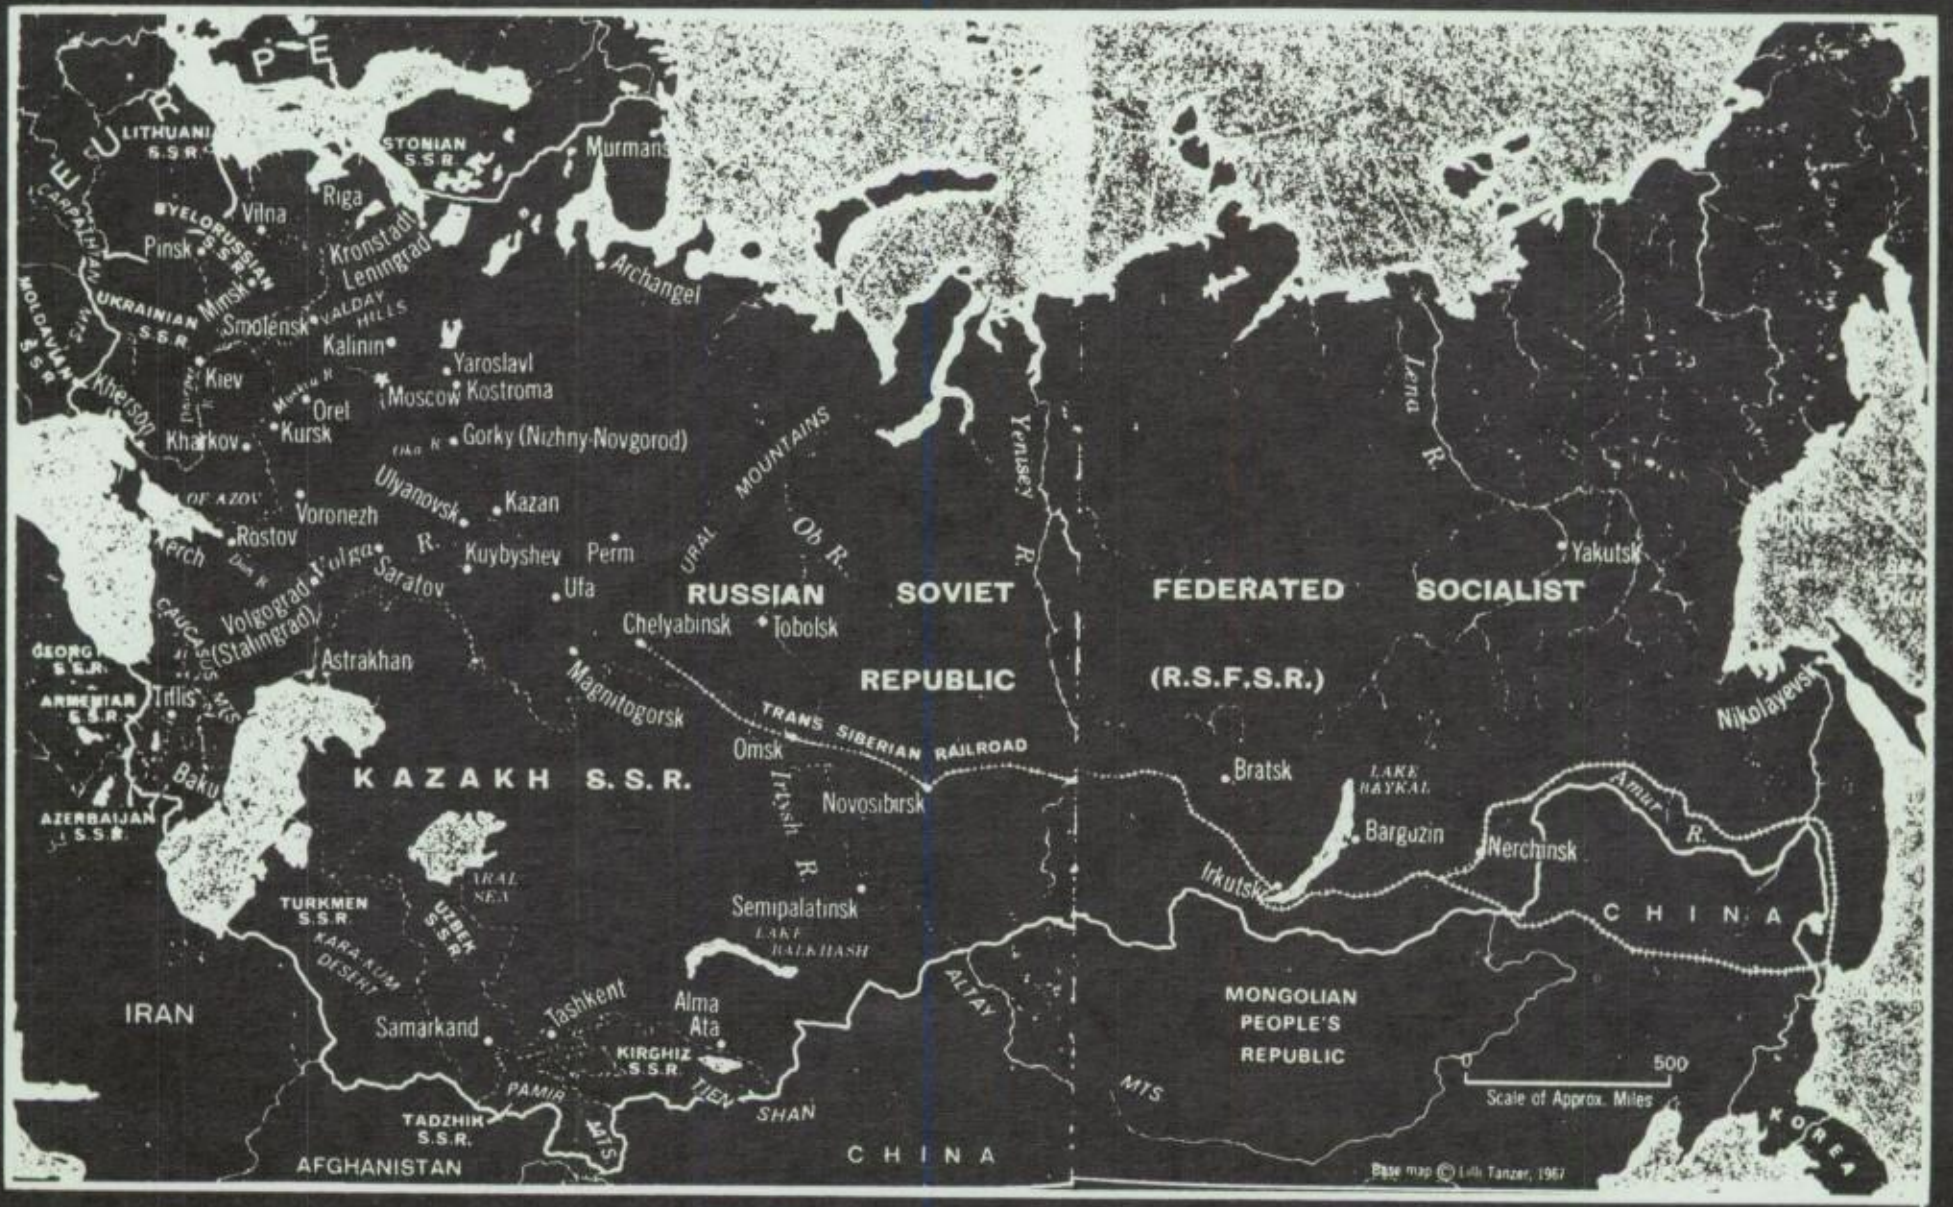

RADIO CLUB IMPROVES SOUND SYSTEM:

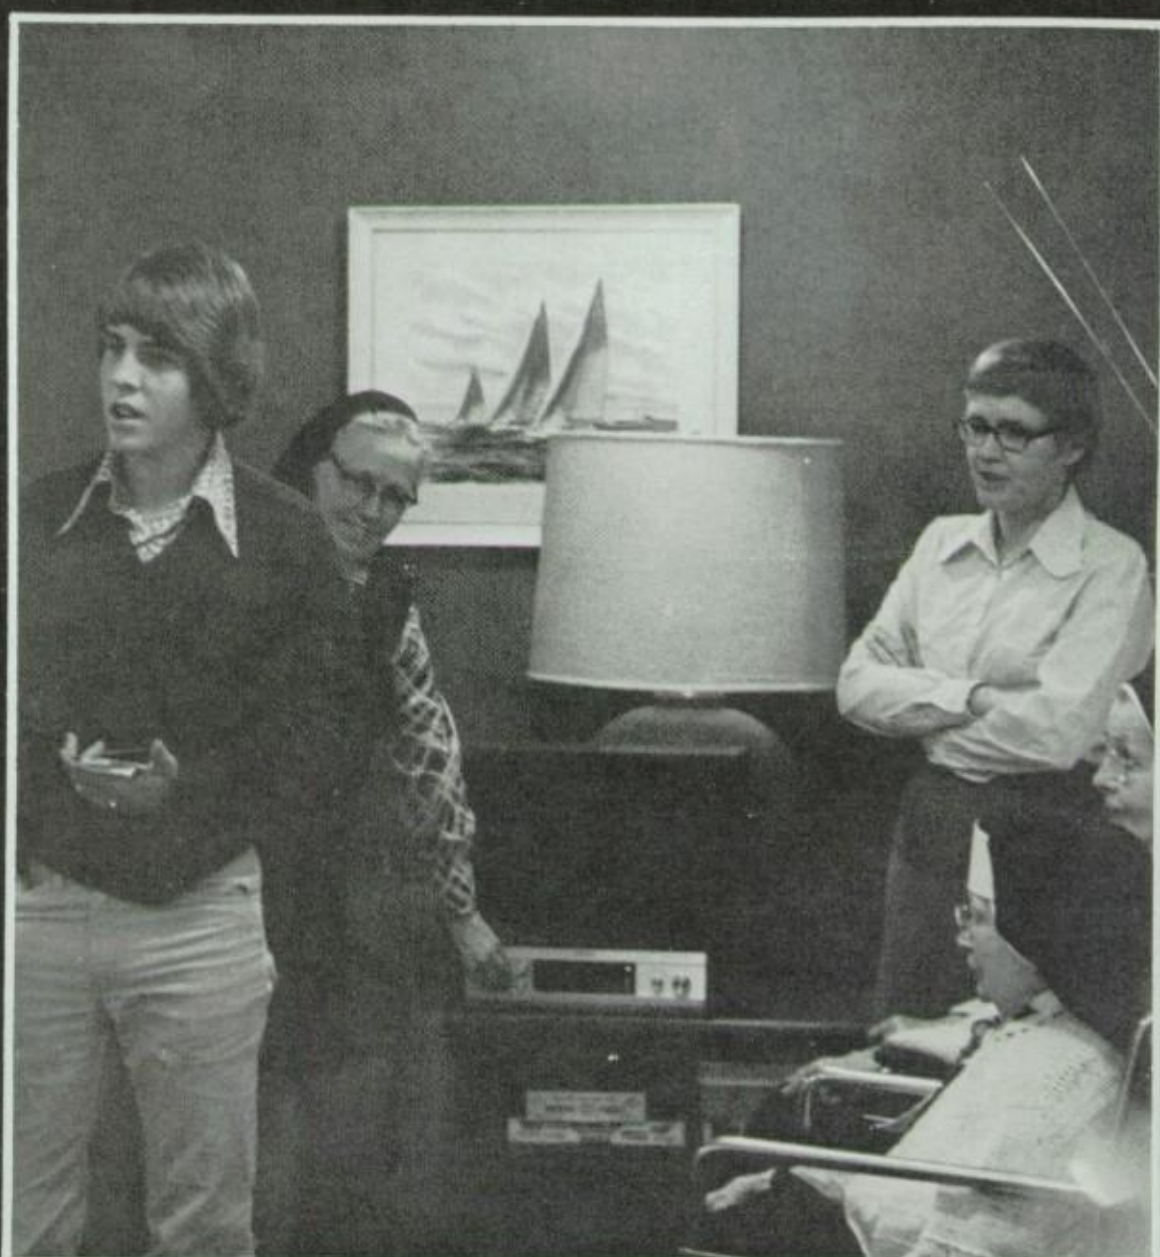

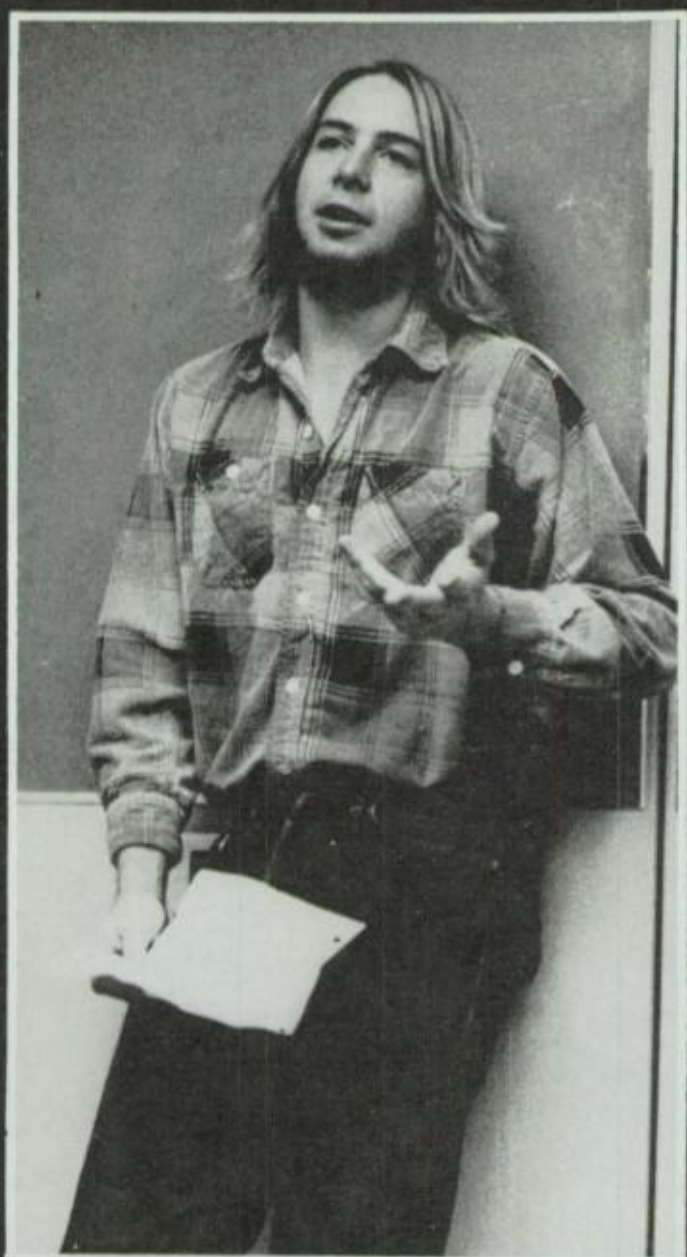

In its second year of existence, Radio Club worked successfully in raising money for a new sound system. During the lunch hours, club members sold 8-track tapes and raised sufficient money to install three speakers in front of the cafeteria. The administration also appropriated money to purchase new turntables and speakers for the Radio T.V. Broadcasting Class. With the new sound system installed, students were broadcasting programs from the studio into room 116 and into the main lobby. During the lunch hours, club members presented their original programs and strived to improve on their skills in broadcasting. These programs were supervised by Mr. Ron Acol and club officers: President: Ignes Lucero; Vice-President: Roger May; Secretary/Treasurers: Kim Feldmiller and Maurisa Lo Pablo.

During Christmas they had many service projects, including the present of a fine radio to the nuns at St. Anthony's hospital. They also planned a basketball marathon and a spring dance. The seniors had a spaghetti dinner and the juniors had a candy sale.
